# FOREWORD

The Constitution requires each house of the General Assembly to keep a Journal of its proceedings. The Journal is intended to assure a public account of legislative activity and constitutes the final official record of action by the General Assembly.

Under the provisions of Sections 6.161, 6.162 and 57.151 of the *Kentucky Revised Statutes,* the Legislative Research Commission is responsible for comparing, editing, correcting, and publishing the Journals as approved by each house of the General Assembly. This Journal represents the fulfillment of this obligation for the Regular Session of the House of Representatives of 1990.

The text of a bill is spread in full when it receives a first reading. The vote on passage of a bill is indicated upon its receipt of a third reading, or upon concurrence by the originating house in amendments by the second house. Simple and concurrent resolutions are printed on first reading when applicable or when adopted, and joint resolutions are treated as bills. A table of actions on bills and resolutions is appended. Roll calls on motions to pass legislation have been compiled in an Appendix.

Mrs. Jean Wallace, Mrs. Delores Dearborn and Mrs. Wilda Bond prepared the 1990 House Journal. The edited copy and index in this Journal reflect the cooperative efforts of the Commission's staff.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 199.473 is amended to read as follows:

(1) All persons other than a licensed child-placing agency or institution, the department or persons excepted by KRS 199.470(4) or (5) who wish to place or receive a child shall make written application to the secretary for permission to place or receive a child. Upon receipt of an application to place or receive a child the secretary shall cause an investigation to be made of the home and the background of the person or persons wishing to receive the child. The purpose of the investigation shall be to determine the suitability of the applicants to receive a child, taking into account at all times the best interest of the child for whom application to receive has been made. The child welfare worker making the investigation shall make a finding in writing recommending either that the application be granted or that the application be denied. In either case reasons for the child welfare worker's recommendation shall be given in writing. The recommendation of the child welfare worker shall then be reviewed by the secretary. Based on the report and recommendation of the child welfare worker making the investigation, the secretary shall grant or refuse permission for the applicant to place or receive a child as early as practicable, but, in any case, the decision shall be made within sixty (60) days after the receipt of the application. In reaching his decision the secretary shall be guided by the ability of the persons wishing to receive the child to give the child a suitable home, and shall at all times consider the best interest of the child from a financial, medical, psychological and psychiatric standpoint. If the application is refused the secretary shall in general terms furnish in writing the reasons for his refusal.

(2) In any case where the cabinet refuses to approve the placement of a child for adoption when requested by the parent or parents of the child, or refuses the request of any person or persons that a child be placed with him or them for adoption, the decision of the secretary in so refusing shall be final unless within ten (10) days after notice of refusal, the biological or proposed adopting parent or parents shall appeal to the circuit court of the county in which the adoption is proposed.[~~, provided however that~~] No placement shall be disapproved on the basis of the religious, ethnic, racial or inter-faith background of the adoptive applicant, if ***the*** [~~such~~] placement is made with the consent of the parent. The cabinet shall be made a party defendant to the appeal. In the hearing of an appeal, the court shall review the findings of the secretary and shall determine if the secretary has acted arbitrarily, unlawfully, or in such a manner as to constitute an abuse of discretion.

(3) No person, association or organization, other than the cabinet or a licensed child-placing institution or agency shall place a child or act as intermediary in the placement of a child for adoption or otherwise, except in the home of a stepparent, grandparent, sister, brother, aunt or uncle, or upon written approval of the secretary. Nothing in this subsection shall be construed to limit the Cabinet for Human Resources in carrying out its aid to dependent children program in accordance with KRS Chapter 205.

(4) ***If*** [~~In the event~~] a child who does not fall within the exception provided for in KRS 199.470(4) or (5) is placed or received in a home without the permission of the secretary for human resources, or ***if*** [~~in the event~~] permission to receive a child has been denied, a representative of the cabinet may petition the juvenile session of district court of the county in which the child is found setting out the facts concerning the child. When ***the*** [~~such~~] petition has been filed, the court shall take jurisdiction of the child and shall provide for it as it would provide for a dependent, neglected or abused child under KRS Chapter 620, except that the child may not be placed in the home of the applicants to receive him unless permission to do so

is granted by the secretary or ***the*** [~~such~~] action is ordered by a circuit court, the Kentucky Court of Appeals or Supreme Court of Kentucky.

(5) ***The Cabinet for Human Resources shall be paid a fee for the conduct of the investigation to be fixed by the court pursuant to a sliding income scale not to exceed fifteen dollars ($15) an hour. Payment shall be made by certified or cashier's check only. All funds collected under this section shall be deposited in a restricted account, which is hereby created, for the purpose of subsidizing an adoptive parent for suitable care of a special needs child as authorized in KRS 199.555.***

***(6)*** Nothing in this statute shall be construed to limit the authority of the cabinet or a licensed child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of district court or the circuit court, prior to the filing of an application to place or receive.

Section 2. KRS 199.555 is amended to read as follows:

(1) ***A "special needs child" means:***

***(a) A child which the state has determined cannot or should not be returned to the home of his parents; and***

***(b) A child which the state has first determined:***

***1. That there exists a specific factor or condition the existence of which leads to the reasonable conclusion that the child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX; and***

***2. That except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX*** [~~For the purpose of this section, "hard-to-place children" means those children for whom adoptive homes are difficult to find because of a physical handicap, a mental condition, or the age of the child~~].

(2) ***"State funded adoption assistance" means payment of monthly maintenance to assist in meeting the special needs of a child which was placed by the Cabinet for Human Resources. The state funded adoption assistance shall also include payment of nonrecurring adoption expenses, and may include reimbursement of extraordinary medical expenses.***

***(3) "Nonrecurring adoption expenses" means those expenses which are incurred in the legal adoption of a special needs child for which parents are ultimately responsible which include reasonable and necessary adoption fees, court costs, attorney fees and other expenses which are directly related to the special needs adoption and which are not incurred in violation of state or federal law.***

***(4) "Extraordinary medical expenses" means those expenses which are related to the child's special needs which existed prior to the adoption and are not reimbursed by private insurance, medicaid, or other third party payors or government programs.***

***(5)*** If the secretary of the Cabinet for Human Resources or his designated representative finds that a child may benefit from being adopted and that the payment of a subsidy to adoptive parents after the adoption will increase the likelihood of [~~such~~] adoption, [~~then~~] funds may be paid to the adoptive parents after completion of the adoption of ***the*** [~~such~~] child if the following conditions exist:

(a) ***The child was considered a special needs child prior to the adoption;***

***(b)*** The child is committed to the Cabinet for Human Resources and the cabinet has authority to consent to the child's adoption; and

***(c)***[~~(b)~~] The adoptive parents can give suitable care to the child if a subsidy is paid.

***(6)***[~~(3)~~] Agreements for the payments of funds under this section shall be made prior to the adoption of the child. ***However, if***[~~, except where~~] the secretary for human resources or his designated representative finds that the adoption is likely to disrupt,[~~. In such situations, reimbursement for~~] extraordinary medical ***expenses*** [~~care~~] may be ***reimbursed*** [~~made,~~] contingent upon ***availability of resources*** [~~resources available~~], if the following conditions exist:

(a) The child was placed for adoption by the Cabinet for Human Resources;

(b) The child was considered ***a special needs child*** [~~"hard-to-place"~~] prior to the adoption;

(c) The parents have made a reasonable effort under the circumstances to meet the needs of the child without ***reimbursement for extraordinary medical expenses*** [~~a subsidy~~].

This subsection shall apply to any child meeting the conditions of this subsection who at the time of application for the post-adoption ***extraordinary medical expenses*** [~~subsidy~~] is under ***the*** age ***of*** eighteen (18). ***This subsection shall have retroactive as well as prospective effect*** [~~and who is adopted prior to or after July 15, 1986~~].

***(7)***[~~(4)~~] The payments shall be out of funds appropriated to the cabinet ***and those funds collected pursuant to KRS 199.473(5) which shall be deposited in a restricted account for the purpose of subsidizing special needs adoptions,*** and shall be in accordance with regulations promulgated by the secretary. ***The*** [~~Such~~] payments shall not exceed the amount which would be paid for foster care for the child. ***Monthly maintenance payments shall not exceed the amount which would be paid for foster care for the child***[~~,~~] and may include ***reimbursement*** [~~payment~~] for extraordinary medical ***expenses*** [~~care~~]. ***Payment of nonrecurring adoption expenses shall only be reimbursed up to the limit established by the secretary for human resources in accord with 42 USC 673.*** However, payments under agreements entered into under subsection ***(6)*** [~~(3)~~] of this section shall be limited to reimbursement of authorized extraordinary medical ***expenses*** [~~care~~] related to problems or conditions that existed prior to the adoption.

***(8) State funded adoption assistance payments shall not be made to parents if:***

***(a) The child has attained the age of eighteen (18);***

***(b) The cabinet determines the parents are no longer legally responsible for the support of the child; or***

***(c) The cabinet determines that the child is no longer receiving any support from the parents.***

***(9) Parents who have been receiving adoption assistance payments under this section shall keep the cabinet informed of circumstances which would, pursuant to subsection (8) of this section, make them ineligible for assistance, or eligible for assistance in a different amount.***

***(10)***[~~(5)~~] The cabinet shall establish criteria to be followed for the adoption of children under provisions of this section and shall promulgate the criteria by administrative regulations.

Section 3. KRS 199.5954 is amended to read as follows:

(1) A child with special needs ***residing*** [~~resident~~] in this state, who is the subject of an adoption assistance agreement with another state, shall be entitled to receive [~~a~~] medical assistance [~~identification~~] from this state upon the filing in the [~~office of the division for medical assistance,~~] Department for Social Insurance, Cabinet for Human Resources, [~~of~~] a certified copy of the adoption assistance agreement obtained from the adoption assistance state. In accordance with regulations of the ***Department for Medicaid Services*** [~~division for medical assistance, department for social insurance~~], Cabinet for Human Resources, the adoptive parents shall be required at least annually to show that the agreement is still in force or has been renewed.

(2) The ***Department for Medicaid Services*** [~~division of medical assistance, department for social insurance~~], Cabinet for Human Resources shall consider ***recipients of medical assistance*** [~~the holder of a medical assistance identification~~] pursuant to this section as any other ***recipient of*** [~~holder of a~~] medical assistance [~~identification~~] under the laws of this state and shall process and make payment on claims on account of ***the recipient*** [~~such holder~~] in the same manner and pursuant to the same conditions and procedures as for other recipients of medical assistance.

(3) The ***Department for Medicaid Services*** [~~division for medical assistance, department for social insurance~~], Cabinet for Human Resources shall provide coverage and benefits for a child who is in another state and who is covered by an adoption assistance agreement made by the Department for Social Services, Cabinet for Human Resources for the coverage or benefits, if any, not provided by the residence state. To this end, the adoptive parents acting for the child may submit evidence of payment for services or benefit amounts not payable in the residence state and shall be reimbursed therefor. However, there shall be no reimbursement for services or benefit amounts covered under any insurance or other third party medical contract or arrangement held by the child or the adoptive parents. The Cabinet for Human Resources shall make regulations implementing this subsection. The additional coverages and benefit amounts provided pursuant to this subsection shall be for services to the cost of which there is no federal contribution, or which, if federally aided, are not provided by the residence state. Among other things, ***the*** [~~such~~] regulations shall include procedures to be followed in obtaining prior approvals for services in those instances where required for the assistance.

(4) The submission of any claim for payment or reimbursement for services or benefits pursuant to this section or the making of any statement in connection therewith, which claim or statement the maker knows or should know to be false, misleading or fraudulent shall be punishable as perjury and shall also

be subject to a fine not to exceed ten thousand dollars ($10,000) or imprisonment for not more than two (2) years, or both such fine and imprisonment.

(5) The provisions of this section shall apply only to medical assistance for children under adoption assistance agreements from states that have entered into a compact with this state under which the other state provides medical assistance agreements made by this state. All other children entitled to medical assistance pursuant to adoption assistance agreements entered into by this state shall be eligible to receive it in accordance with the laws and procedures applicable thereto.

SECTION 4. A NEW SECTION OF KRS CHAPTER 199 IS CREATED TO READ AS FOLLOWS:

***(1) For the purpose of this section, unless the context requires otherwise, "federal title IV-E adoption assistance" means the payment of monthly maintenance to assist in meeting the special needs of the child and of nonrecurring adoption expenses which include reasonable and necessary adoption fees, court costs, attorney fees, and other expenses which are directly related to legal adoption of a special needs child and which are not incurred in violation of state or federal law.***

***(2) If the secretary of the Cabinet for Human Resources or his designated representative finds that payment of a subsidy to adoptive parents after the adoption will increase the likelihood of such adoption, funds may be paid to the adoptive parents after conclusion of the adoption if the child meets the eligibility criteria established at 42 U.S.C. 673.***

***(3) Agreements for federal title IV-E adoption assistance under this section shall be made prior to the adoption of the child.***

***(4) Payment shall be out of funds appropriated to the cabinet and federal title IV-E funds of the Social Security Act as amended (42 U.S.C. 673 et al). All payments shall be in accordance with administrative regulations promulgated by the Cabinet for Human Resources. Payments shall not exceed the amount which would be paid for foster care for the child. ***(6)*** Nothing in this statute shall be construed to limit the authority of the cabinet or a licensed child-placing institution or agency to determine the proper disposition of a child committed to it by the juvenile session of district court or the circuit court, prior to the filing of an application to place or receive.

Section 2. KRS 199.555 is amended to read as follows:

(1) ***A "special needs child" means:***

***(a) A child which the state has determined cannot or should not be returned to the home of his parents; and***

***1. That there exists a specific factor or condition the existence of which leads to the reasonable conclusion that the child cannot be placed with adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX; and***

***2. That except where it would be against the best interests of the child because of such factors as the existence of significant emotional ties with prospective adoptive parents while in the care of such parents as a foster child, a reasonable, but unsuccessful, effort has been made to place the child with appropriate adoptive parents without providing adoption assistance under this section or medical assistance under Title XIX*** [~~For the purpose of this section, "hard-to-place children" means those children for whom adoptive homes are difficult to find because of a physical handicap, a mental condition, or the age of the child~~].

(2) ***"State funded adoption assistance" means payment of monthly maintenance to assist in meeting***

***(4) "Extraordinary medical expenses" means those expenses which are related to the child's special needs which existed prior to the adoption and are not reimbursed by private insurance, medicaid, or other third party payors or government programs.***

***(5)*** If the secretary of the Cabinet for Human Resources or his designated representative finds that a child may benefit from being adopted and that the payment of a subsidy to adoptive parents after the adoption will increase the likelihood of [~~such~~] adoption, [~~then~~] funds may be paid to the adoptive parents after completion of the adoption of ***the*** [~~such~~] child if the following conditions exist:

(a) ***The child was considered a special needs child prior to the adoption;***

***(c)***[~~(b)~~] The adoptive parents can give suitable care to the child if a subsidy is paid.

***(6)***[~~(3)~~] Agreements for the payments of funds under this section shall be made prior to the adoption of the child. ***However, if***[~~, except where~~] the secretary for human resources or his designated representative finds that the adoption is likely to disrupt,[~~. However, payments under agreements entered into under subsection ***(6)*** [~~(3)~~] of this section shall be limited to reimbursement of authorized extraordinary medical ***expenses*** [~~care~~] related to problems or conditions that existed prior to the adoption.

***(8) State funded adoption assistance payments shall not be made to parents if:***

***(a) The child has attained the age of eighteen (18);***

***(b) The cabinet determines the parents are no longer legally responsible for the support of the child; or***

***(c) The cabinet determines that the child is no longer receiving any support from the parents.***

***(9) Parents who have been receiving adoption assistance payments under this section shall keep the cabinet informed of circumstances which would, pursuant to subsection (8) of this section, make them ineligible for assistance, or eligible for assistance in a different amount.***

Section 3. KRS 199.5954 is amended to read as follows:

(3) The ***Department for Medicaid Services*** [~~division for medical assistance, department for social insurance~~], Cabinet for Human Resources shall provide coverage and benefits for a child who is in another state and who is covered by an adoption assistance agreement made by the Department for Social Services, Cabinet for Human Resources for the coverage or benefits, if any, not provided by the residence state. To this end, the adoptive parents acting for the child may submit evidence of payment for services or benefit amounts not payable in the residence state and shall be reimbursed therefor. However, there shall be no reimbursement for services or benefit amounts covered under any insurance or other third party medical contract or arrangement held by the child or the adoptive parents. The Cabinet for Human Resources shall make regulations implementing this subsection. The additional coverages and benefit amounts provided pursuant to this subsection shall be for services to the cost of which there is no federal contribution, or which, if federally aided, are not provided by the residence state. Among other things, ***the*** [~~such~~] regulations shall include procedures to be followed in obtaining prior approvals for services in those instances where required for the assistance.

(4) The submission of any claim for payment or reimbursement for services or benefits pursuant to this section or the making of any statement in connection therewith, which claim or statement the maker knows or should know to be false, misleading or fraudulent shall be punishable as perjury and shall also be subject to a fine not to exceed ten thousand dollars ($10,000) or imprisonment for not more than two (2) years, or both such fine and imprisonment.

(5) The provisions of this section shall apply only to medical assistance for children under adoption assistance agreements from states that have entered into a compact with this state under which the other state provides medical assistance agreements made by this state. ***(2) If the secretary of the Cabinet for Human Resources or his designated representative finds that payment of a subsidy to adoptive parents after the adoption will increase the likelihood of such adoption, funds may be paid to the adoptive parents after conclusion of the adoption if the child meets the eligibility criteria established at 42 U.S.C. 673.***

***(3) Agreements for federal title IV-E adoption assistance under this section shall be made prior to the adoption of the child.***

***(4) Payment shall be out of funds appropriated to the cabinet and federal title IV-E funds of the Social Security Act as amended (42 U.S.C. 673 et al). (d) Physician, podiatric and dental services;

(e) Optometric services for all age groups shall be limited to prescription services, services to frames and lenses, and diagnostic services provided by an optometrist, to the extent the optometrist is licensed to perform the services and to the extent the services are covered in the ophthalmologist portion of the physician's program. Eyeglasses ***shall be*** [~~are~~] provided only to children under age twenty-one (21);

(f) ***Lifelong coverage for prescription drugs used to prevent rejection of transplanted organs as well as lifelong coverage of hospital, laboratory and physician services related to the transplant if the patient was eligible for Medicaid at the time the transplant occurred*** [~~Drugs on the prescription of a physician used to prevent the rejection of transplanted organs if the patient is indigent~~]; and

(g) Nonprofit neighborhood health organizations or clinics where some or all of the medical services are provided by licensed registered nurses or by advanced medical students presently enrolled in a medical school accredited by the Association of American Medical Colleges and where ***the*** [~~such~~] students or licensed registered nurses are under the direct supervision of a licensed physician who rotates his services in this supervisory capacity between two (2) or more of the nonprofit neighborhood health organizations or clinics specified herein.

(2) Payments for hospital care, nursing home care, and drugs or other medical, ophthalmic, podiatric and dental supplies shall be on bases which relate the amount of the payment to the cost of providing ***the*** [~~such~~] services or supplies. It shall be one (1) of the functions of the council to make recommendations to the Cabinet for Human Resources with respect to ***the*** [~~such~~] bases for payment. In determining the rates of reimbursement for long-term care facilities participating in the medical assistance program, the Cabinet for Human Resources shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

(a) Motor vehicles that are not owned by the facility, including motor vehicles that are registered or owned by the facility but used primarily by the owner or family members thereof;

(b) The cost of motor vehicles, including vans or trucks, used for facility business shall be allowed up to fifteen thousand dollars ($15,000) per facility, adjusted annually for inflation according to the increase in the consumer price index-u for the most recent twelve (12) month period, as determined by the U. Costs exceeding this limit ***shall*** [~~are~~] not ***be*** reimbursable and shall be borne by the facility.[~~, provided however, that~~] Costs for additional motor vehicles, not to exceed a total of three (3) per facility, may be approved by the Cabinet for Human Resources if the facility demonstrates that each additional vehicle is necessary for the operation of the facility as required by regulations of the cabinet;

(c) Salaries paid to immediate family members of the owner or administrator, or both, of a facility, to the extent that services are not actually performed and are not a necessary function as required by regulation of the cabinet for the operation of the facility. The facility shall keep a record of all work actually performed by family members;

(d) The cost of contracts, loans, or other payments made by the facility to owners, administrators or both, unless ***the*** [~~such~~] payments are for services which would otherwise be necessary to the operation of the facility and ***the*** [~~such~~] services are required by regulations of the Cabinet for Human Resources. Any other [~~such~~] payments shall be deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Human Resources. Interest paid to the facility for loans made to a third party may be used to offset allowable interest claimed by the facility;

(e) Private club memberships for owners or administrators, travel expenses for trips outside the state for owners or administrators and other indirect payments made to the owner, unless ***the*** [~~such~~] payments are deemed part of the owner's compensation in accordance with maximum limits established by regulations of the Cabinet for Human Resources; and

(f) Payments made to related organizations supplying the facility with goods or services shall be limited to the actual cost of the goods or services to the related organization, unless it can be demonstrated that no relationship between the facility and the supplier exists. A relationship ***shall*** [~~will~~] be considered to exist when an individual, including brothers, sisters, father, mother, aunts, uncles and in-laws, possesses a total of five percent (5%) or more of ownership equity in the facility and the supplying business. [~~and provided however, that~~] An exception to the relationship shall exist if fifty-one percent (51%) or more of the supplier's business activity of the type carried on with the facility is transacted with persons and organizations other than the facility and its related organizations.

(3) No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

(4) The [~~rules and~~] regulations of the Cabinet for Human Resources shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for induced premature births. This statement shall indicate the procedures used in providing ***the*** [~~such~~] medical services.

(5) The range of medical care benefit standards provided and the quality and quantity standards and the methods for determining cost formulae for vendor payments within each category of public assistance and other recipients shall be uniform for the entire state, and shall be designated by regulation promulgated within the limitations established by the Social Security Act and federal regulations. ***It shall not be necessary that*** the amount of payments for units of services [~~need not~~] be uniform for the entire state but may vary from county to county and from city to city, as well as among hospitals, based on the prevailing cost of medical care in ***each*** [~~such~~] locale and other local economic and geographic conditions, except that insofar as allowed by applicable federal law and regulation, the maximum amounts reimbursable for similar services rendered

by physicians within the same specialty of medical practice shall not vary according to the physician's place of residence or place of practice, ***as*** [~~so~~] long as the place of practice is within the boundaries of the state.

(8) If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of ***the*** [~~such~~] payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

(9) ***No*** [~~Every~~] long-term care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986 shall [~~not~~] deny admission of a person to a bed certified for reimbursement under the provisions of the medical assistance program solely on the basis of the person's paying status as a medicaid recipient. No person shall be removed or discharged from any facility solely because they became eligible for participation in the medical assistance program, unless the facility can demonstrate the resident or the resident's responsible party was fully notified in writing that the resident was being admitted to a bed not certified for medicaid reimbursement. No facility may decertify a bed occupied by a medicaid recipient or may decertify a bed that is occupied by a resident who has made application for medical assistance.

Payment to a dentist of any such medical assistance program benefits for complete upper and lower dentures shall only be provided on the condition of a preauthorized agreement between an authorized representative of the medical assistance program and the dentist prior to the removal of ***the*** [~~such~~] teeth. The selection of another class or other classes of medical care shall be recommended by the council to the secretary for human resources after taking into consideration, among other things, the amount of federal and state funds available, the most essential needs of recipients, and the meeting of such need on a basis insuring the greatest amount of medical care as defined in KRS 205.510 consonant with the funds available including but not limited to the following categories, except where ***the*** [~~such~~] aid is for the purpose of obtaining an abortion:

(a) Hospital care, including drugs, and medical supplies and services during any period of actual hospitalization;

(2) Payments for hospital care, nursing home care, and drugs or other medical, ophthalmic, podiatric and dental supplies shall be on bases which relate the amount of the payment to the cost of providing such services or supplies. In determining the rates of reimbursement for long-term care facilities participating in the medical assistance program, the Cabinet for Human Resources shall, to the extent permitted by federal law, not allow the following items to be considered as a cost to the facility for purposes of reimbursement:

The cabinet, in establishing the reimbursement system, shall base the rate of payment, whether overall or component, on the results of scientifically valid analyses and conclusions derived from objective statistical data pertinent to the particular rate of payment. In establishing a reimbursement rate, either a component or overall rate, the cabinet shall consider and make provisions for the variable costs experienced statewide in the long-term care industry contained in the following data: the range and spread of routine costs which results from differing patient care needs; the range and spread of labor costs from one (1) geographic area within Kentucky to another; and the range and spread of costs because of differing values of physical building and equipment. The reimbursement system shall be structured so that the reimbursement rates will provide a facility with full reimbursement of its reasonable and necessary costs of delivering quality patient care.***

***(4)*** No vendor payment shall be made unless the class and type of medical care rendered and the cost basis therefor has first been designated by regulation.

***(5)***[~~(4)~~] The [~~rules and~~] regulations of the Cabinet for Human Resources shall require that a written statement including the required opinion of a physician shall accompany any claim for reimbursement for induced premature births. ***(7)***[~~(6)~~] Nothing in this section shall be deemed to deprive a woman of all appropriate medical care necessary to prevent her physical death.

***(8)***[~~(7)~~] To the extent permitted by federal law, no medical assistance recipient shall be recertified as qualifying for a level of long-term care below the recipient's current level, unless ***the*** [~~such~~] recertification includes a physical examination conducted by a physician licensed pursuant to KRS Chapter 311 or by an advance registered nurse practitioner licensed pursuant to KRS Chapter 314 and acting under ***the*** [~~such a~~] physician's supervision.

***(9)***[~~(8)~~] If payments made to community mental health centers, established pursuant to KRS Chapter 210, for services provided to the mentally retarded exceed the actual cost of providing the service, the balance of ***the*** [~~such~~] payments shall be used solely for the provision of other services to the mentally retarded through community mental health centers.

***(10)***[~~(9)~~] ***No*** [~~Every~~] long-term care facility, as defined in KRS 216.510, providing inpatient care to recipients of medical assistance under Title XIX of the Social Security Act on July 15, 1986 shall [~~not~~] deny admission of a person to a bed certified for reimbursement under the provisions of the medical assistance program solely on the basis of the person's paying status as a medicaid recipient. WHEREAS, there are no entrance and exit ramps which access the Mountain Parkway in Clark County other than the access point heading east on Interstate 64 which is the beginning of the parkway; and

WHEREAS, this lack of access denies the residents of Clark County who live outside the city limits of Winchester use of the Mountain Parkway without taking a long, circuitous route into Powell County; and

WHEREAS, the primary reason for the lack of access in the past was to protect the integrity of the Mountain Parkway by requiring its users to pay tolls and that reason is no longer valid because the tolls have been removed; and

WHEREAS, since the tolls have been removed there is a great need to provide additional access to the Mountain Parkway, not only for easing the travel of county residents, but also to aid the county in its ability to attract businesses into the area; and

WHEREAS, the junction of KY 974 and the Mountain Parkway is the most logical point for the construction of ramps accessing the Mountain Parkway for the rural residents of Clark County because of the population which would be served; and

WHEREAS, the construction of these ramps could be accomplished by including the project as part of the bond issue being proposed by the Transportation Cabinet for the upcoming biennium;

NOW, THEREFORE,

*Be it resolved by the House of Representatives of General Assembly of the Commonwealth of Kentucky:*

Section 1. That the Secretary of Transportation be directed to consider constructing access ramps at the junction of the Mountain Parkway and KY 974.

Floor Amendment No. 4 to the Committee Substitute to **HB 639**, by Representative Burch:

Amend printed copy of **HB 639/HCS** on page 27, line 17, by inserting after the words "Section 16.", the following phrase:

"KRS 406.111 is amended to read as follows:

If the court finds that the conclusions of all the experts, as disclosed by the evidence based upon the tests, are that the alleged father is not the father of the child, the question of paternity shall be resolved accordingly. If the experts disagree in their findings or conclusions, the question may be submitted upon all the evidence. If the ***court finds that the statistical probability of paternity equals or exceeds ninety-nine percent (99%), as calculated by the experts qualified as examiners of genetic markers and that the paternity index, as calculated by the experts qualified as examiners of genetic markers, is one hundred (100) to one (1) or greater, there shall be a rebuttable presumption, affecting the burden of proof, of paternity. This presumption may only be rebutted by a preponderance of the evidence. The court may enter a summary judgment of paternity without trial upon failure of the alleged father to present to the court credible evidence to rebut the presumption of paternity.***

***(2) As used in this section:***

***(a) "Genetic markers" mean separate identifiable genes or complexes of genes generally isolated as a result of blood typing, at least seven (7) of which are normally tested in a paternity determination; and***

***(b) "Paternity index" means the commonly accepted indicator used for denoting the existence of paternity. It represents the mathematically computed probability that the putative father is the true father of the child, as opposed to any other man of similar ethnic background. The paternity index, computed using results of various paternity tests following accepted statistical principles for the computation of probability, shall be in accordance with the method of expression accepted at the international conference on parentage at Arlie House, Virginia, May, 1982, sponsored by the American Association of Blood Banks*** [~~experts conclude that the blood tests show the possibility of the alleged father's paternity, admission of this evidence is within the discretion of the court, depending upon the infrequency of the blood type~~].

All nomination papers shall be filed no later than 4 p.m. local time when filed on the last day on which ***the*** [~~such~~] papers are permitted to be filed.

(b) An independent candidate for nomination to city office shall not participate in a primary election, but shall file his nomination papers with the county clerk of the county not less than sixty-eight (68) days before the day fixed by KRS Chapter 118 for holding a regular election. All nomination papers shall be filed no later than 4 p.m. local time when filed on the last day on which ***the*** [~~such~~] papers are permitted to be filed.

(c) A candidate for city office ***that is defeated*** in a partisan ***primary*** election shall be prohibited from ***seeking election to the same office during the regular election by changing his registration to independent or by conducting a write-in campaign*** [~~being a registered party candidate during a primary election and if defeated in the primary, changing his registration to independent for the purpose of seeking the same office at the regular election for which he was defeated in the primary election~~]. However, if a vacancy occurs in the party nomination for which he was an unsuccessful candidate in the primary election, his name may be placed on the voting machines for the regular election as a candidate of that party if he has been duly made the party nominee after the vacancy occurs, as provided in KRS 118.105.

(2) Nonpartisan elections of city officers shall be governed by KRS 83A.050, 83A.170, 83A.175 and the following provisions, regardless of the form of government or classification of the city:

(a) A candidate for city office shall file his nomination papers with the county clerk of the county not less than ***one hundred twenty (120)*** [~~ninety (90)~~] days before the day fixed by KRS Chapter 118 for holding a primary election. 2. All nomination papers shall be filed no later than 4 p.m. local time when filed on the last day on which ***the*** [~~such~~] papers are permitted to be filed.

It shall be conditioned upon ***the*** [~~such~~] warehouseman carrying combustion, fire, lightning, and tornado insurance sufficient to cover loss upon all stored grain in ***the*** [~~such~~] warehouse, and the delivery of all stored grain or payment of the value thereof upon the surrender of the warehouse receipt or scale ticket, and upon the faithful performance by the warehouseman of all provisions of law relating to the storage and handling of grain by the warehouseman and the regulations of the Kentucky department of agriculture relative thereto.

***(2) The department may refuse to issue a license to any applicant or revoke the existing license of one (1) who furnishes false or misleading information or conceals a material fact on the application or other supporting documents; or has been convicted of fraud or deceptive practice; or is currently adjudicated incompetent by a court of competent jurisdiction; or for other good cause shown. Any individual so denied a license for the above given reasons shall be given written notice within thirty (30) working days of receipt of application. Any applicant who is denied a license and feels aggrieved, may request a hearing by writing to the Commissioner of Agriculture.***

***(3) All applications for warehouseman license shall be accompanied by a current financial statement or a letter of credit from a financial institution.***

Section 2. KRS 251.451 is amended to read as follows:

(1) Each warehouseman shall file with the department a surety bond issued by a surety company authorized to transact business within the Commonwealth of Kentucky, payable to the Commonwealth with the Commissioner as trustee. ***A warehouseman may file with the department, in lieu of a surety bond, a certificate of deposit payable to the Commissioner, as trustee, or an irrevocable letter of credit on forms prescribed by the Commissioner. The principal amount of the certificate or letter of credit shall be the same as that required for a surety bond under this section, and the interest thereon, if any, shall be made payable to the purchaser.*** The amount of the bond for a warehouseman shall be established by rule of the department, but in no event shall the sum be less than twenty-five cents (25) per bushel of the total maximum bushel capacity of the warehouse or ten thousand dollars ($10,000), whichever is greater.

(2) The bond shall be conditioned on the faithful performance of duties as an operator and the full and unreserved compliance with the laws of this state and the rules of the department in relation thereto, so that the depositors holding warehouse receipts, contracts or other documented evidence of stored grain may receive the benefit of ***the*** [~~such~~] bond. The aggregate liability of the surety to all depositors shall in no event exceed the sum of the bond. Neither the issuance of warehouse receipts by a warehouseman to himself for grain owned in whole or in part by him, the commingling of grain owned by the warehouseman with grain stored for others, or any violation by a warehouseman of KRS 251.420 to 251.510 or of the rules and regulations issued by the department [~~hereunder~~] shall constitute a defense in any action brought upon any bond, and all such bonds shall so provide. Maximum capacity of a warehouse shall be determined by dividing the cubic volume of all bins by two thousand one hundred fifty and forty-two one hundredths (2,150.42) cubic inches. ***The*** [~~Such~~] bond ***shall*** [~~must~~] be kept in force at all times while the operator is conducting a warehouse. Failure to keep the bond in force ***shall be*** [~~is~~] cause for revocation of the license and subjects the warehouseman to the criminal penalty provided in KRS 251.990. Each bond shall contain a provision that it may not be cancelled by either the surety or the principal except upon sixty (60) days' notice in writing to the department at its offices in Frankfort. The notice ***shall not*** [~~will in no way~~] affect the liability accrued or that which may accrue under the bond before the expiration of the sixty (60) days. The department may require additional bond where the assets of any warehouseman appear insufficient, when compared to his storage obligations, or to meet the bond requirements of the United States or any agency or corporation controlled by the United States when they have a contract for storage with the warehouseman. The additional bond shall be a dollar amount equal to the insufficiency. Failure to post such additional bond ***shall constitute*** [~~constitutes~~] grounds for suspension or revocation of a license issued under KRS 251.430.

(a) Perpetual succession by its corporate name as a corporate body;

Section 5. KRS 251.640 is amended to read as follows:

(1) It is declared to be in the public interest and highly advantageous to the agricultural economy of the state that producers of grain shall be assessed one-half cent (1/2) per bushel on all ***marketed*** grain ***which is produced in Kentucky*** [~~marketed~~] and provide for the collection of the same for the purpose of financing or contributing to the financing of the Kentucky grain insurance fund, which is hereby created. [~~However, grain~~] Producers ***of grain produced*** [~~from~~] outside of Kentucky shall not be subject to the assessment if they certify to the grain dealer or warehouseman that ***the grain was not produced in Kentucky*** [~~they are out-of-state producers~~]. The department shall establish the form to be completed, signed and given to the grain dealer or warehouseman in order to obtain the exemption. The information required by the department shall

include at a minimum, the date, the producer's name, business address, phone number, quantity and identify the grain. A copy of ***the*** [~~such~~] form shall be kept as a part of the books and records by the grain dealer or warehouseman and in addition a copy of such form shall be supplied to the department. The Kentucky grain insurance corporation may enter into a reciprocal agreement with a contiguous state having a similar program.~~]

(2) Upon the establishment of the Kentucky Grain Insurance Corporation, the Commissioner shall notify forthwith by certified mail, all persons in this state engaged in the business of purchasing grain from producers, that on and after the date specified in the letter, the specified assessment shall be deducted from the producer's payment by the purchaser, or his agent or representative from the purchase price of the grain. The assessment so deducted shall, on or before the fifteenth (15th) day of the month following the end of the month in which such grains are sold to the purchaser, be remitted by the purchaser to the grain insurance fund. The books and records of all purchasers of grain, which shall clearly indicate the producer assessment, shall at all times be open for inspection by the Commissioner of Agriculture or his duly authorized agents during regular business hours. The Commissioner or his agents may take such steps as are reasonably necessary to verify the accuracy of books and records of purchasers of grain.

(3) The assessment shall continue until the fund is more than three million dollars ($3,000,000). If and when the fund is more than three million dollars ($3,000,000), no fees shall be assessed by the department until such time as the amount in the fund drops below three million dollars ($3,000,000). ***If the fund is more than three million dollars ($3,000,000), no laterthan April 30 of each year, the board shall meet and certify the fund is in excess of three million dollars ($3,000,000). If at any time after the board has certified the three million dollar ($3,000,000) amount, the board receives notification of the fund being less than two million dollars ($2,000,000), the board shall within thirty (30) days certify that the fund has less than two million dollars ($2,000,000), and the assessment shall be reinstated. Upon notification from the board, the department shall within thirty (30) days reinstate the one-half cent (1/2) assessment fee.***

(4) Any producer upon and against whom the assessment is levied and collected under the provisions of this section, if dissatisfied with the assessment and the result thereof, may demand of and receive from the treasurer of the grain insurance corporation a refund of assessment collected from the producer, if the demand for refund is made in writing within thirty (30) days from the date on which the assessment is collected from the producer. By voluntarily submitting to a refund, the producer forgoes any protection or compensation provided for by the grain insurance corporation.

(5) When in the judgment of the board or the duly certified association, a purchaser has engaged in or is about to engage in any acts or practices that constitute a violation of any of the provisions of KRS 251.410, 251.430, 251.440, 251.451, 251.490, and 251.600 to 251.740, the grain insurance corporation may make application to the Franklin Circuit Court for an order enjoining such acts or practices, and obtain a restraining order and preliminary injunction against the purchaser.

(6) The assessments by the department pursuant to this section are in addition to any other fees or assessments required by law.

Section 6. KRS 251.650 is amended to read as follows:

***(1)*** All assessments by the department pursuant to KRS 251.640 shall be held by the corporation in trust in the Kentucky Grain Insurance Fund for carrying out the purposes of KRS 251.410, 251.430, 251.440, 251.441, 251.490, and 251.600 to 251.740. These funds shall be invested and reinvested in U.S. treasury obligations at the discretion of the corporation, and the interest from these investments shall be deposited to the credit of the fund and shall be available for the same purposes as all other money deposited in the fund. The money in the fund shall not be available for any purpose other than the payment of claims pursuant to KRS 251.410, 251.430, 251.440, 251.451, 251.490, and 251.600 to 251.740, and shall not be transferred to any fund other than the grain indemnity trust fund, which is hereby created. This limiting and nontransferability provision shall not be severable from the whole of KRS 251.410, 251.430, 251.440, 251.451, 251.490, and 251.600 to 251.740; and if such provision is held invalid, repealed or substantially amended, KRS 251.410, 251.430, 251.440, 251.451, 251.490, and 251.600 to 251.740 shall immediately become invalid, and to this end, such provision is declared to be nonseverable.

***(2) Notwithstanding the provisions of subsection (1) of this section, the board may authorize the investment of funds for the Kentucky Grain Insurance Fund through the Kentucky Commission for Investments in any guaranteed security or other guaranteed investment recommended by the commission if the board determines such recommendation would maximize the interest or income to the fund.***

***(3) The board is authorized to pay from the interest or income produced by the investing of the Kentucky***

***Grain Insurance Fund the ordinary management and investment fees assessed pursuant to statute or administrative regulation.***

Section 7. KRS 251.670 is amended to read as follows:

(1) Within ninety (90) days of the board's approval of a valid claim, the board shall, in accordance with the provisions of this section, compensate from the grain indemnity trust fund any claimant who has incurred a financial loss due to a failure of a grain dealer or warehouseman.

(2) Any claimant who has incurred a financial loss due to a failure of a ***licensed*** grain dealer shall be entitled to be compensated for eighty percent (80%) of a valid claim, to a maximum of one hundred thousand dollars ($100,000), with moneys from the Kentucky Grain Insurance Fund***, provided that the claim is brought within one (1) year from the time the claimant receives actual notice of the grain dealer's failure***. To the maximum extent that funds are or may be made available for the purpose, the remaining balance of the claim shall be paid by the board from the assets and other security of the failed grain dealer, provided that any claimant who has incurred a financial loss due to the failure of a grain dealer and who has surrendered a warehouse receipt for payment shall be compensated for one hundred percent (100%) of a valid claim.

(3) Any claimant who has incurred a financial loss due to a failure of a ***licensed*** grain warehouseman shall be entitled to be compensated for eighty-five percent (85%) of a valid claim with moneys from the Kentucky Grain Insurance Fund***, provided that the claim is brought within one (1) year from the time the claimant receives actual notice of the warehouseman's failure***. To the maximum extent that funds are or may be made available for such purpose, the remaining balance of such claim shall be paid by the board from the assets and other security of the failed grain warehouse, provided that any claimant who has incurred a financial loss due to the failure of a grain warehouse and who has surrendered a warehouse receipt for payment shall be compensated for one hundred percent (100%) of a valid claim.

Section 8. KRS 251.720 is amended to read as follows:

(1) Any person engaged in the business of buying grain from producers for resale, milling or processing shall first procure a license from the department as required by the board before transacting business. Such license shall expire on June 30 and shall be renewed annually. The annual license fee shall be based on the total annual volume handled as follows:

(a) From zero to six thousand (6,000) bushels, fifty dollars ($50);

(b) Six thousand (6,000) to one hundred thousand (100,000) bushels, one hundred dollars ($100);

(c) One hundred thousand (100,000) to two million (2,000,000) bushels, two hundred dollars ($200);

(d) Two million (2,000,000) to six million (6,000,000) bushels, three hundred dollars ($300);

(e) Six million (6,000,000) to ten million (10,000,000) bushels, four hundred dollars ($400); or

(f) Over ten million (10,000,000) bushels, five hundred dollars ($500).

(2) The fee for each license shall be deposited in a trust and agency fund account in the State Treasury to be used for carrying out the provisions of KRS 251.410 to 251.510.

(3) Every person licensed as a grain dealer shall file with the department a surety bond signed by the dealer as principal and by a responsible company authorized to execute surety bonds within the Commonwealth of Kentucky. A grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the Commissioner, as trustee or an irrevocable letter of credit on forms prescribed by the Commissioner. The principal amount of the certificate or letter of credit shall be the same as that required for a surety bond under this section, and the interest thereon if any shall be made payable to the purchaser. The bond shall be a principal amount, to the nearest one thousand dollars ($1,000), equal to ten percent (10%) of the aggregate dollar amount paid by the dealer to producers for grain purchased from them during the dealer's last completed fiscal year, or in the case of a dealer who has been engaged in business as a grain dealer for less than one (1) year or who has not theretofore engaged in such business, ten percent (10%) of the estimated aggregate dollar amount to be paid by the dealer to producers for grain purchased from them during the next fiscal year. Such bond shall not be less than twenty-five thousand dollars ($25,000), nor more than one hundred thousand dollars ($100,000), except as otherwise authorized by this section. Any grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the Commissioner, as trustee or an irrevocable letter of credit on forms prescribed by the Commissioner. The principal amount of the certificate shall be the same as that required for a surety bond under this section and the interest thereon shall be made payable to the purchaser thereof.

(4) The Commissioner shall, when he questions a grain dealer's ability to pay producers for grain purchased,

or when he determines that the grain dealer does not have a sufficient net worth to meet his financial obligations, require a grain dealer to post an additional bond in a dollar amount equal to the insufficiency or shall require an additional certificate of deposit or an irrevocable letter of credit equal to the insufficiency, as deemed appropriate by the Commissioner. Failure to post the additional bond or certificate of deposit or an irrevocable letter of credit constitutes grounds for suspension or revocation of a license issued under this section.

(5) The bond or additional bond shall be made payable to the Commonwealth of Kentucky, with the Commissioner as trustee, and shall be conditioned on the grain dealer's faithful performance of his duties as a grain dealer and his compliance with this section. It shall be for the use and benefit of any producer from whom the grain dealer may purchase grain and who is not paid by the grain dealer, and shall not be cancelled, except upon at least sixty (60) days' notice in writing to the department. In no event shall the total aggregate liability of a surety exceed the face amount of its bond.

(6) Any grain dealer who is of the opinion that his net worth and assets are sufficient to guarantee payment to producers for grain purchased by him may request the Commissioner to be relieved of the obligation of filing a bond in excess of the minimum bond of twenty-five thousand dollars ($25,000). Such request shall be accompanied by a financial statement of the applicant made within five (5) months of the date of such request, certified by a licensed public accountant, and such additional information concerning the applicant and his finances as the department may require. If such financial statement discloses a net worth of an amount equal to at least three (3) times the amount of the bond required by this section and the Commissioner is otherwise satisfied as to the financial ability and resources of the applicant, the Commissioner may waive that portion of the required bond in excess of twenty-five thousand dollars ($25,000). However, in the case of a grain dealer whose net worth is not equal to three (3) times the amount of bond required, the Commissioner may allow the grain dealer to waive, in one thousand dollar ($1,000) increments, a portion of the bond required in excess of twenty-five thousand dollars ($25,000). The percentage factor to be applied to the bond required in excess of twenty-five thousand dollars ($25,000) shall be determined by dividing actual net worth by the net worth required to waive all bond in excess of twenty-five thousand dollars ($25,000). If the result of this computation provides a percentage factor of eighty percent (80%) or greater, then that same percentage of the bond in excess of twenty-five thousand dollars ($25,000) may be waived. The grain dealer shall then provide to the department a surety bond in the amount of twenty-five thousand dollars ($25,000), plus any additional bond required in excess thereof.

(7) An incidental grain dealer whose total purchases of grain from producers during any fiscal year do not exceed an aggregate dollar amount of two hundred fifty thousand dollars ($250,000) may satisfy the bonding requirements of this section by filing with the department a bond, certificate of deposit or an irrevocable letter of credit at the rate of one thousand dollars ($1,000) for each ten thousand dollars ($10,000) or fraction thereof of the dollar amount to be purchased with a minimum bond, certificate of deposit or an irrevocable letter of credit of one thousand dollars ($1,000), and a current financial statement.

(8) Failure of a grain dealer to file a bond, certificate of deposit or an irrevocable letter of credit and to keep the bond, certificate of deposit or an irrevocable letter of credit in force or to maintain assets adequate to assure payment to producers for grain purchased from them shall be grounds for the suspension or revocation of a license issued under this section.

(9) When the Commissioner has determined that a grain dealer has defaulted payment to producers for grain which he has purchased from them, the Commissioner shall determine, through appropriate legal procedures, the producers and the amount of defaulted payment, and, as trustee of the bond, shall immediately after the determination call for the dealer's surety bond or bonds to be paid to him for distribution to those producers who should receive the benefits. Should the defaulted amount owed producers be less than the principal amount of the bond or bonds, then the surety shall be obligated to pay only the amount of the default.

(10) Any grain dealer who is also in the business of storing grain and is a warehouseman as defined in KRS 251.610 may be exempted from the licensing fee and bonding requirements of KRS 251.451 as long as his storage capacity and storage obligations are considered in formulating his grain dealer bond requirement.

***(11) The department may refuse to issue a license to any applicant or revoke the existing license of one (1) who furnishes false or misleading information or conceals a material fact on the application or other supporting documents; or has been convicted of fraud or deceptive practice; or is currently adjudicated incompetent by a court of competent jurisdiction; or for other good cause shown. Any individual so denied a license for these reasons shall be given written notice within thirty (30) days of receipt of application. Any applicant who is denied a license and feels he has been aggrieved may request a hearing by writing to the Commissioner of Agriculture.***

***(12) All applications for a grain dealer license shall be accompanied by a current financial statement or a letter of credit from a financial institution.***

Section 9. KRS 355.9-307 is amended to read as follows:

(1) A buyer in ordinary course of business (subsection (9) of KRS 355.1-201) other than a person buying farm products from a person engaged in farming operations takes free of a security interest created by his seller even though the security interest is perfected and even though the buyer knows of its existence.

To assist it in making this determination, the jury shall be provided with a schedule of community service work projects from which to choose. The term of community service shall not be shorter than the length of the prison term nor longer than twice the length of the prison term. If the jury elects to impose the alternative community service sentence, the judge shall treat the prison term as a probated sentence and shall impose other terms and conditions of probation he deems appropriate. Failure to complete the prescribed term of community service shall be deemed a probation violation and shall subject the defendant to serve the prison sentence originally fixed by the jury.***

***(2) The provisions of this section shall not apply in the case of persons convicted of any felony described in KRS Chapters 507, 508, 509, 510, 515 or 520 or any Class A or Class B felony.***

Section 4. KRS 533.010 is amended to read as follows:

(1) Any person who has been convicted of a crime and who has not been sentenced to death may be sentenced to probation, ***probation with an alternative sentencing plan*** or conditional discharge as provided in this chapter.

(2) Before imposition of a sentence of imprisonment the court shall consider the possibility of probation, ***probation with an alternative sentencing plan*** or conditional discharge. After due consideration of the nature and circumstances of the crime and the history, character and condition of the defendant, probation, ***probation with an alternative sentencing plan*** or conditional discharge should be granted unless the court is of the opinion that imprisonment is necessary for protection of the public because:

(a) There is substantial risk that during a period of probation, ***probation with an alternative sentencing plan*** or conditional discharge the defendant will commit another crime; or

(b) The defendant is in need of correctional treatment that can be provided most effectively by his commitment to a correctional institution; or

(c) A disposition under this chapter will unduly depreciate the seriousness of the defendant's crime.

Section 5. KRS 533.020 is amended to read as follows:

(1) When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court shall place him on probation if he is in need of the supervision, guidance, assistance or direction that the probation service can provide. Conditions of probation shall be imposed

as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of probation.

(2) ***When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to probation with an alternative sentence if it is of the opinion that the defendant should conduct himself according to conditions determined by the court and that probationary supervision alone is insufficient. The court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the alternative sentence.***

*(3)* When a person who has been convicted of an offense or who has entered a plea of guilty to an offense is not sentenced to imprisonment, the court may sentence him to conditional discharge if it is of the opinion that the defendant should conduct himself according to conditions determined by the court but that probationary supervision is inappropriate. Conditions of conditional discharge shall be imposed as provided in KRS 533.030, but the court may modify or enlarge the conditions or, if the defendant commits an additional offense or violates a condition, revoke the sentence at any time prior to the expiration or termination of the period of conditional discharge.

*(4)*[~~(3)~~] The period of probation***, probation with an alternative sentence*** or conditional discharge shall be fixed by the court and at any time may be extended or shortened by duly entered court order. Such period, with extensions thereof, shall not exceed five (5) years upon conviction of a felony nor two (2) years upon conviction of a misdemeanor. Upon completion of the probationary period***, probation with an alternative sentence*** or the period of conditional discharge, the defendant shall be deemed finally discharged, provided no warrant issued by the court is pending against him, and probation***, probation with an alternative sentence*** or conditional discharge has not been revoked.

*(5)*[~~(4)~~] Notwithstanding the fact that a sentence to probation***, probation with an alternative sentence*** or conditional discharge can subsequently be modified or revoked, a judgment which includes such a sentence shall constitute a final judgment for purposes of appeal.

Section 6. KRS 534.030 is amended to read as follows:

(1) Except as otherwise provided for an offense defined outside this code, a person who has been convicted of any felony ***shall, in addition to any other punishment imposed upon him,*** [~~and granted a sentence of probation or conditional discharge may~~] be sentenced to pay a fine in an amount not ***less than one thousand dollars ($1,000) and not greater than*** [~~to exceed~~] ten thousand dollars ($10,000) or double his gain from commission of the offense, whichever is the greater.

(2) In determining the amount and method of paying a fine for commission of a felony, the court shall consider, among others, the following factors:

(a) The defendant's ability to pay the amount of the fine;

(b) The hardship likely to be imposed on the defendant's dependents by the amount of the fine and the time and method of paying it;

(c) The impact the amount of the fine will have on the defendant's ability to make reparation or restitution to the victim; and

(d) The amount of the defendant's gain, if any, derived from the commission of the offense.

(3) When a defendant is convicted of two or more felonies committed through a single act and is sentenced to fines pursuant to subsection (1), the aggregate amount of ***the*** [~~such~~] fines shall not exceed ten thousand dollars ($10,000) or double the amount of the defendant's gain from commission of the offenses, whichever is the greater.

(4) ***Fines required by this section shall not be imposed upon any person determined by the court to be indigent pursuant to KRS Chapter 31.***

*(5)* This section ***shall*** [~~does not~~] apply to a corporation.

(1) Fines and imprisonment for misdemeanors shall not be mutually exclusive. In any case where imprisonment is authorized, a fine may be levied in addition to the imprisonment or a fine may be levied as an alternative to imprisonment. Similarly, a fine may be levied in lieu of imprisonment. Whether [~~or not~~] the fine is to be levied as the sole penalty or as an additional or alternative penalty shall be in the discretion

of the judge or jury as the case may be. If the trial is by jury, [~~then~~] the jury shall have the discretion. This rule shall apply in all cases where a fine is not the exclusive penalty authorized by law.

(2) Except as otherwise provided for an offense defined outside this code, a person who has been convicted of any ***misdemeanor and granted a sentence of probation or conditional discharge shall*** [~~offense other than a felony may~~] be sentenced to pay a fine in an amount not to exceed:

(a) For a Class A misdemeanor, five hundred dollars ($500); or

(b) For a Class B misdemeanor, two hundred fifty dollars ($250); or

(c) For a violation, two hundred fifty dollars ($250).

(3) This section ***shall*** [~~does~~] not apply to a corporation.

**HCR 146**, A CONCURRENT RESOLUTION directing a study of the need for a Department for Family and Children's Services.

WHEREAS, since, 1981 the number of children reported as abused or neglected in Kentucky has increased over seventy percent (70%), the number of children reported to be sexually abused has increased by two hundred and fifty percent (250%); and

WHEREAS, the Commonwealth of Kentucky has a responsibility to provide timely, coordinated, efficient and effective services to children and their families which are designed to strengthen and encourage family life for the protection and care of children, provide children a safe and nurturing environment, ensure children are not removed from their homes unless absolutely necessary, serve children in the least restrictive environment, and provide treatment reasonably calculated to bring about an improvement in the condition of children and their families; and

WHEREAS, the Department for Social Services, the Department for Mental Health and Mental Retardation Services, the regional community mental health center system, the juvenile justice system, and the Department of Education too often provide services to children and families with no formal coordination of efforts, fragmentation and duplication of services, and a lack of overall responsibility to ensure that the needs of families and children are met; and

WHEREAS, with the multiple funding sources for children and families served by state agencies and the distribution of those funds within state government has made it difficult for the General Assembly to oversee the fiscal accountability and efficiency of the many agencies involved;

NOW, THEREFORE,

*Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:*

(1) Any person desiring to conduct thoroughbred racing and Appaloosa racing at a thoroughbred race meeting within the Commonwealth of Kentucky ***or to engage in simulcasting and intertrack wagering as a receiving track*** during any calendar year shall first apply to the commission for a license to do so. The application shall be filed at the commission's general office on or before ***June 1 with respect to applications to conduct live race meetings, and on or before October 1, with respect to intertrack wagering dates*** [~~a day fixed by the commission~~]. The application shall specify the location of the track and the days on which racing ***or intertrack wagering, or both,*** is desired to be conducted or held and shall be in the form and contain such other information and data as the commission may, by rule require. ***Nothing in KRS Chapter 230 shall be construed as requiring a track or the intertrack facility to obtain a license from more than one (1) commission.***

(2) The commission shall as soon as practicable, but in no event later than ***September*** [~~March~~] 1 in any calendar year award dates for racing in the Commonwealth during the ***next*** year. ***Dates for the conduct of intertrack wagering shall be awarded as provided in KRS 230.377(2).*** In the event scheduled racing is canceled by reason of flood, fire, or inclement weather, the commission may award after ***September*** [~~March~~] 1 additional racing dates to make up for those dates canceled by such flood, fire, or inclement weather. The commission may issue such license to conduct a thoroughbred race meeting to any association making the aforesaid application if the commission finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employees, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the commission, the licensing of such association would serve to nurture, promote, develop, or improve the thoroughbred industry in the Commonwealth. As a condition precedent to the issuance of such license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together

with the payment of operating expenses including purses and awards to owners of horses participating in races.

(3) Every license issued under KRS 230.215 to 230.360 shall specify among other things the name of the person to whom issued, the address and location of the track where the thoroughbred race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted; provided, however, that no track which is granted overlapping dates ***for the conduct of a live race meeting*** with another thoroughbred or harness racing track within a fifty (50) mile radius shall be permitted to have a post time after 5:30 p.m., prevailing time for overlapping days between July 1 and September 15, unless agreed to in writing by the tracks affected.

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a thoroughbred race meeting at any track not specified therein. However, if the track specified becomes unsuitable for thoroughbred racing or Appaloosa racing because of flood, fire or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) Thoroughbred racing dates may be awarded and licenses issued authorizing thoroughbred racing and Appaloosa racing at a thoroughbred race meeting on any day of the year. Thoroughbred racing or Appaloosa racing at thoroughbred race meetings shall be held or conducted only between sunrise and midnight.

(6) The commission may at any time require the removal of any official or employee of any association in those instances where it has reason to believe that the official or employee has been guilty of any dishonest practice in connection with thoroughbred racing or Appaloosa racing at a thoroughbred race meeting or has failed to comply with any condition of his license or has violated any law or any rule or regulation of this commission.

(7) Every thoroughbred race not licensed under this section or Appaloosa race not licensed by this section or KRS 230.620 to 230.760 is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

Section 5. KRS 230.310 is amended to read as follows:

No person required to be licensed by this section may participate in any activity required to be licensed on association grounds during a race meeting without a valid license therefor. An applicant for a license shall submit to the commission fingerprints as may be required and such other information as may be necessary and reasonable for processing a license application. The commission is authorized to exchange fingerprint data with the Kentucky state police and the federal bureau of investigation in order to conduct a criminal history background check of an applicant. The commission may issue a license if it finds that the financial responsibility, age, experience, reputation, competence, and general fitness of the applicant to perform the activity permitted by a license, are consistent with the best interest of racing and the maintenance of the honesty, integrity, and high quality thereof. ***A*** [~~Such~~] license shall be issued for the calendar year in which it is issued and may be renewed by the commission. The license shall be valid at all thoroughbred race meetings ***and the intertrack facility*** in the Commonwealth during the period for which it is issued unless suspended or revoked under the rules and regulations prescribed by the commission under this chapter.

**HB 293**, AN ACT relating to recycled newsprint.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 224 IS CREATED TO READ AS FOLLOWS:

***(1) The General Assembly finds that throughout the United States local, state and federal policy makers are turning to the reuse of materials found in solid waste as a necessary component of solid waste management. In addition, the General Assembly finds that citizens are positively responding to this concept and recycling programs are quickly spreading throughout the country. The consequence of the rapid accumulation of materials recovered from the waste stream is a correspondingly rapid deterioration of the markets for selected commodities. This threatens the long term viability of these markets and ultimately the success of recycling as a waste management tool.***

***(2) The General Assembly recognizes that 1986 statistics indicate that paper and paperboard comprise forty-one percent (41%) of the solid waste stream generated in the United States. The sixty-five (65) million tons of paper generated in 1986 is projected to increase to eighty-five (85) million tons in the year 2000. Eighty percent (80%) of this volume is landfilled, ten percent (10%) is recycled and the remaining ten percent (10%) is incinerated.***

***(3) Recognizing the substantial proportion of the waste stream volume taken up by discarded paper products, the General Assembly further finds that initiatives to stabilize and stimulate markets for newsprint will consequently preserve a greater proportion of landfill space. It is an additional finding that although a recent study concludes that a ton of newsprint made from one hundred percent (100%) recycled newsprint costs less than a ton of newsprint from virgin material, there is not sufficient demand for recycled newsprint to encourage the construction or retrofitting of pulp mills to produce newsprint from recycled newspapers. Last, the General Assembly finds that fifty-eight percent (58%) of newsprint used in the United States is imported and virtually all is from virgin pulp.***

***(4) Therefore, the General Assembly seeks, through this enactment, to encourage the use of a national resource by stimulating the markets for recycled newsprint and thus preserve landfill space for future needs.***

(1) There is hereby established an alternative bonding program to be known as the "bond pool." Any permittee of a surface coal mining operation located in Kentucky who meets the criteria set forth in this section and in administrative regulations promulgated by the cabinet shall be eligible to participate in the bond pool. Participation in the pool shall be voluntary.

(2) Except as provided in KRS 350.700 to 350.755, membership in the bond pool and compliance with the requirements of KRS 350.700 to 350.755 shall satisfy the requirement to post bond in accordance with KRS 350.060***(11)***[~~(14)~~].

(a) An "A" rating shall be assigned to ***any*** [~~an~~] applicant ***or member*** who:

1. For a period of at least five (5) of the seven (7) years immediately preceding the application for membership in the pool, has held, under the same permittee name or other permittee name as provided in paragraph (d) of this subsection, a permit issued by the cabinet to conduct surface coal mining operations in Kentucky; and

(8) Upon request of any member, not to exceed once per year, the commission may upgrade the member's rating. The commission may downgrade the rating of any member at any time upon the recommendation of the bond pool administrator. Any such revision shall be made in accordance with the criteria set forth in this section. When a member's rating is downgraded, the commission may increase the permit-specific bond already posted in accordance with KRS 350.735.

(9) The cabinet shall promulgate administrative regulations establishing methods and criteria for determining if an applicant ***or member*** is in good financial standing. The cabinet shall also promulgate such regulations for determining if an applicant ***or member*** has an excellent or acceptable compliance record, which may include, but shall not be limited to:

(10) For purposes of determining whether an applicant ***or member*** has an excellent or acceptable compliance record, the commission shall examine the compliance records of all persons who own or control, are owned or controlled by, or are under common ownership or control with the applicant ***or member***. Where persons other than the applicant ***or member*** are considered under subsection (7)(d) of this section, each such person's compliance record shall be considered.

(11) An ***applicant or a member's*** [~~applicant's~~] experience pursuant to a two (2) acre-or-less permit [~~as defined in KRS 350.060(15)~~] shall not be considered in the ratings assignment, except as provided in subsection (12) of this section.

(12) No application for membership in the bond pool shall be approved by the commission if it is determined that the applicant, or any person who owns or controls, is owned or controlled by, or is under common ownership or control with the applicant, is not eligible for a permit under the provisions of KRS 350.085, 350.093, or 350.130.

(13) Memberships granted by the commission and ratings assigned by the commission shall not be transferrable from one (1) permittee to another.

(14) A person need not be a member of the bond pool in order to be provided coverage under the abandoned mine land enhancement program pursuant to KRS 350.595.

If the applicant fails to submit the membership fee within ***this*** [~~such~~] time, the membership approval shall be voided.

(2) In addition to the membership fee assessed pursuant to subsection (1) of this section, each member shall pay to the fund a set fee for each ton of coal extracted by surface mining activities and a set fee for each ton of coal extracted by underground mining methods from the permit areas covered by the bond pool fund. The per ton fees shall be set by the commission based on the recommendations of the most recent actuarial study conducted in accordance with KRS 350.710(6) and shall be the same for each member regardless of rating. Reporting and payment of the tonnage fee shall be made in accordance with administrative regulations promulgated by the cabinet. Production records of members shall be made available to the commission upon request. The cabinet shall establish penalties for late payment, which shall be assessed by the bond pool administrator. (4) If, at the time of application to the bond pool, a permittee holds one (1) or more permits which have already been disturbed, ***the*** [~~such~~] permits shall be transitioned into the bond pool in accordance with cabinet regulations. The area disturbed prior to admission to the bond pool shall not be covered by the pool, but shall be bonded in accordance with KRS 350.060***(11)***[~~(14)~~]. The undisturbed area shall be bonded in accordance with KRS 350.700 to 350.755. The cabinet may recognize exceptions when appropriate and necessary.

Section 4. KRS 350.740 is amended to read as follows:

(1) If an applicant for a permit chooses to post bond in accordance with KRS 350.700 to 350.755 as an alternative to KRS 350.060***(11)***[~~(14)~~], the permit shall not be issued until the applicant has been accepted as a member of the bond pool, has paid the applicable membership fee, and has submitted a permit-specific bond to cover the area which is the subject of the application.

(2) The cabinet shall not approve a permit transfer pursuant to KRS 350.135 until the transferee has either become a member of the bond pool based upon the transferee's own qualifications or submitted adequate bond in accordance with KRS 350.060***(11)***[~~(14)~~].

(3) Membership in the bond pool shall not relieve the member of the obligation to comply with requirements of this chapter and regulations promulgated pursuant thereto, except those provisions relating to the method of posting bond.

Section 5. KRS 350.750 is amended to read as follows:

(1) Whenever a member of the bond pool becomes more than thirty (30) days in arrears with any tonnage fee payment, the bond pool administrator shall notify the member that he has thirty (30) days to become current on his payments. If the member fails to comply within the thirty (30) days, the bond pool administrator shall recommend to the commission that it revoke his membership. The commission shall revoke the membership unless the member has paid all tonnage fees due.

(2) Whenever a member of the bond pool is issued ***an*** [~~a final~~] order for cessation and immediate compliance for failure to abate a violation of contemporaneous reclamation requirements, the bond pool administrator shall so inform the commission, which may revoke ***the*** [~~said~~] membership in the bond pool. Whenever two (2) such [~~final~~] orders are issued to a member of the bond pool, that membership shall be automatically revoked without further action on the part of the commission. Whenever the secretary has issued a final order finding that a member of the bond pool has committed a pattern of violations pursuant to KRS 350.028(4) or 350.465(3)(f), the bond pool administrator shall so inform the commission, and the commission may revoke the member's membership in the bond pool.

(3) Whenever a member of the bond pool is issued an order for cessation and immediate compliance for failure to abate any violation, the bond pool administrator shall so inform the commission, and the commission may revoke the member's membership in the bond pool.

(4) ***If a member of the bond pool transfers more than fifty percent (50%) of any class of stock or other ownership interest, whether by sale, gift, or otherwise, the member and the person to whom more than fifty percent (50%) of the interest is transferred shall notify the bond pool administrator, in writing, of the transfer within fifteen (15) days. The bond pool administrator shall review the eligibility of all persons who own or control, are owned or controlled by, or are under common ownership or control with the member after the transfer using criteria set forth in KRS 350.720, and shall report his findings to the commission. The commission shall revoke the membership if it determines that the member after the transfer does not meet the eligibility criteria.***

***(5)*** Upon revocation of membership, the permittee shall be ordered by the cabinet to cease surface coal mining operations on all of his permits until he has obtained alternate bond coverage. In the meantime, the permittee shall comply with reclamation requirements established by cabinet regulations.

***(6)***[~~(5)~~] The bond pool fund shall remain liable for reclamation of the portions of permits disturbed prior to revocation of a membership.

**HB 807**, AN ACT relating to hazardous waste and declaring an emergency.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 224.866 is amended to read as follows:

(1) No person shall engage in the storage, treatment, recycling or disposal of hazardous waste without first notifying the cabinet and obtaining construction and operation permits from the cabinet. The cabinet shall promulgate regulations establishing standards for such permits but in no case shall a permit to construct or operate a hazardous waste site or facility or a regional integrated waste treatment and disposal demonstration facility be issued unless it can be demonstrated that the proposed facility can be integrated into the surroundings in an environmentally compatible manner, including but not limited to insuring that hydrologic, seismologic, geologic and soil considerations have been adequately addressed in the permit application and in an operational plan. In no case shall a permit to construct a hazardous waste incinerator, landfill or other site or facility for the land disposal of hazardous waste be approved or issued prior to notification of the cabinet by the local unit of government of its actions pursuant to KRS 224.855(6). The cabinet shall not issue a construction permit to a regional integrated waste treatment and disposal demonstration facility until it has been issued a certificate of environmental safety and public necessity. A person desiring a construction permit shall file an application on forms supplied by the cabinet which shall contain such information as the cabinet deems necessary and provide evidence that the hazardous waste shall be treated, stored or disposed of in the manner prescribed by the cabinet. The applicant shall not initiate construction at the proposed site of a new facility for the storage, treatment or disposal of hazardous waste until notice has been given to that portion of the public most likely to be affected by the operation of the proposed facility pursuant to KRS 224.855(1) to (5) and until a construction permit for said facility has been issued by the cabinet. The cabinet may consider past performance in this or related fields by the applicant. The cabinet, in making a determination to issue, deny or condition a construction permit, shall consider the following:

(a) An evaluation of alternatives, to include other locations and other treatment, storage, and disposal approaches, different from those proposed, available to the applicant;

(b) An evaluation of the public health, safety, and environmental aspects of the proposals;

(c) An evaluation of the social and economic impacts of the proposed action on the affected community, to include, at a minimum, changes in property values, community perception and other psychic costs, and the costs and availability of public services, facilities and improvements required to support the facility and protect public health, safety and the environment;

(d) An evaluation of mitigation measures to alleviate problems identified in paragraphs (b) and (c) of this subsection; and

(e) The relationship of the proposal to local planning and existing development.

Except that in the case of hazardous waste incinerators, landfills or other sites or facilities for the land disposal of hazardous waste the provisions of paragraphs (c) and (e) of this subsection shall be determined by the local unit of government pursuant to KRS 224.855(6); in the case of a regional integrated waste treatment and disposal demonstration facility the provisions of paragraphs (c) and (e) of this subsection shall be determined by the siting board established pursuant to KRS 224.2203.

(2) The cabinet may prohibit the land disposal of any hazardous wastes. The criteria and list of hazardous waste to be prohibited by the cabinet from land disposal shall be identical to any such criteria and list promulgated by the United States Environmental Protection Agency pursuant to the Resource Conservation and Recovery Act of 1976, as amended, (Public Law 94-580). The land disposal of hazardous waste may be permitted for methods determined by the cabinet to be protective of human health and the environment for as long as the waste remains hazardous.

(3) In conjunction with the application for permits under this section the applicant shall establish adequate financial responsibility as follows:

(a) The applicant shall file as part of his application for a permit to construct the facility an estimate of the cost of closing the facility after its capacity is reached or operations have otherwise ceased and an estimate of the cost of post-closure care. In the case of storage facilities, the cost of closing shall include the cost of properly disposing of the hazardous waste stored. The cabinet shall evaluate this cost estimate and either accept the estimate as made or shall revise it in accordance with acceptable guidelines, using, where available, actual data on closure costs associated with similar existing facilities. Before a permit to operate can be issued the applicant for any hazardous waste permit shall assure that the funds needed to close the facility are available by establishing assurance through one (1) or more of the following mechanisms: cash, certificates of deposit, irrevocable credit or other sureties satisfactory to the cabinet and the mechanism shall be established by agreement with the cabinet. The agreement shall provide that disbursement is permissible only upon written approval of the cabinet and whenever, on the basis of any information, the cabinet determines that the owner or operator is in violation of any of the closure requirements for the facility, that the cabinet shall have the right to use part or all of the closure fund to carry out the closure requirements. The financial institution, surety company or escrow agent shall release these funds upon receiving a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more closure violations. Upon determination that closure has been satisfactorily accomplished, the cabinet shall release the applicant from further financial responsibility for closure;

(b) Any applicant for a hazardous waste disposal permit shall file with the cabinet as part of his application an estimate of the annual cost of post-closure monitoring and routine maintenance at the site. The cabinet shall evaluate the cost estimate, and, after such modification as may be necessary in light of its evaluation, shall give notice of acceptance of the cost estimate. This cost estimate which will be referred to as the annual post-closure operating cost ***shall*** [~~will~~] then be used to determine the amount of the post-closure monitoring and maintenance fund to be used for monitoring and maintenance for a period of a minimum of thirty (30) years after facility closure. The post-closure monitoring and maintenance fund shall be cash, irrevocable credit or other sureties satisfactory to the cabinet and shall be established by an agreement with the cabinet. The agreement shall provide that whenever, on the basis of any information, the cabinet determines that the owner or operator of the facility is in violation of any of the post-closure monitoring and maintenance requirements, the cabinet shall have the right to use part or all of the funds to carry out the post-closure monitoring and maintenance for the facility. The funds shall be released upon receipt of a forfeiture order of the cabinet issued pursuant to an appropriate administrative hearing considering one (1) or more post-closure monitoring and maintenance violations. One (1) year after closure and annually, thereafter, for a period of thirty (30) years, the applicant who has carried out all necessary post-closure maintenance and monitoring requirements may upon application to the cabinet be reimbursed out of the post-closure monitoring and maintenance fund an amount equal to the estimated costs for monitoring and routine maintenance for that year. Request for release of funds for reimbursement ***shall*** [~~must~~] be accompanied by an itemized list of costs incurred. Upon determination that the expenditures incurred are in accordance with the approved plan or otherwise justified the cabinet may authorize the release of the funds to the applicant in writing. Any funds remaining in the account following a termination hearing in which the applicant is released of further responsibility ***shall*** [~~will~~] likewise be released to the applicant; and

(c) All applicants for any hazardous waste permit ***shall*** [~~must~~] provide evidence of financial responsibility in an amount and for a time period specified by the cabinet for the purpose of corrective action on and off-site and satisfying claims arising out of injury to persons or property resulting from the release or escape of hazardous waste into the environment. Such financial responsibility may be established by one (1) or a combination of evidence of liability insurance, self-insurance, or other evidence of financial responsibility acceptable to the cabinet. The level of self-insurance shall not exceed ten percent (10%) of equity, and financial responsibility ***shall*** [~~must~~] be maintained during the entire operation of the facility and until termination. The minimum liability coverage for sudden occurrences, exclusive of legal defense costs, for a storage, treatment or disposal facility shall be one million dollars ($1,000,000) per occurrence with an annual aggregate of two million dollars ($2,000,000). The minimum liability coverage for nonsudden occurrences, exclusive of legal defense costs, for a hazardous waste facility involving land disposal shall be three million dollars ($3,000,000) per occurrence with an annual aggregate of six million dollars ($6,000,000). Combined coverage for sudden and nonsudden occurrences shall be no less than the combined totals herein set forth for separate coverage.

(4) The cabinet shall promulgate regulations establishing minimal standards for closure, post-closure monitoring and maintenance, and termination of sites for the disposal of hazardous waste. Any person who obtains a disposal permit for hazardous waste shall be responsible for the post-closure monitoring and maintenance of the permitted facility for a minimum of thirty (30) years after closure of the facility, and may apply to the cabinet for termination of the responsibility for post-closure monitoring and maintenance at any time after the site has been closed for at least thirty (30) years. Upon receipt of such application, the cabinet shall provide notice to the public and to the owner or operator and an opportunity for a hearing on the termination of the site. In this proceeding the burden shall be on the applicant to prove by clear and convincing evidence that additional post-closure monitoring and maintenance is not necessary for adequate protection of public health or the environment. The cabinet shall determine either that post-closure monitoring and maintenance of the site is no longer required, in which case the applicant shall be relieved of such responsibility; or that additional post-closure monitoring and maintenance of the site as specified in a plan of operation is still required, in which case the cabinet may order appropriate remedial measures, impose restrictive covenants as to future use of the property involved, or otherwise condition termination as may be necessary for adequate protection of public health and the environment.

(5) In any case where the owner or operator is in bankruptcy, reorganization, or arrangement pursuant to the federal Bankruptcy Code or where jurisdiction cannot be obtained with reasonable diligence in any state court or any federal court over an owner or operator likely to be insolvent at the time of judgment, any claim arising from conduct for which evidence of financial responsibility ***shall*** [~~must~~] be provided under this section may be asserted directly against the guarantor providing such evidence of financial responsibility. In the case of any action pursuant to this subsection, such guarantor shall be entitled to invoke all rights

and defenses which would have been available to the owner or operator if any action had been brought against the owner or operator by the claimant and which would have been available to the guarantor if an action had been brought against the guarantor by the owner or operator.

(6) The total liability of any guarantor shall be limited to the aggregate amount which the guarantor has provided as evidence of financial responsibility to the owner or operator under this section. Nothing in this subsection shall be construed to limit any other federal statutory, contractual or common law liability of a guarantor to its owner or operator including, but not limited to, the liability of such guarantor for bad faith either in negotiating or in failing to negotiate the settlement of any claim. Nothing in this subsection shall be construed to diminish the liability of any person under section 107 or 111 of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 or other applicable law.

(7) For the purpose of this subsection, the term guarantor means any person, other than the owner or operator, who provides evidence of financial responsibility for an owner or operator under this section.

***(8) Any hazardous waste treatment, storage or disposal facility shall close in accordance with the permit and this chapter, if the site or facility has not been maintained in operational condition in conformance with this chapter, for any period of three (3) months or longer. The permittee shall be afforded an opportunity to be heard on the proposed termination of authorization to operate, and termination under this section shall not be required where the permittee demonstrates that steps have been taken to bring the facility, within a reasonable time not to exceed ninety (90) days, into full operational status in accordance with this chapter and applicable regulations. Within ninety (90) days, the cabinet shall review existing hazardous waste treatment, storage or disposal permits to determine compliance with this section.***

Section 2. Whereas, hazardous waste facilities may pose a threat to human health and the environment if not maintained in operational condition, an emergency is declared to exist and this Act shall become effective upon its passage and approval by the Governor.

The House of Representatives of the Commonwealth of Kentucky hereby honors, recognizes and commends Representative Roger Noe for his exemplary recuperative prowess as he successfully completed gall bladder surgery. Such recognition comes in contradiction to those political pundits who erroneously have described the Gentleman from Harlan as lacking intestinal fortitude to bring not only educational excellence to the Commonwealth of Kentucky, but also positive, constructive and profitable legislation to his beloved Harlan County.

Further, this body does join with the Speaker of the House and the Gentlemen from Daviess 7 and Daviess 13 who applaud Representative Roger Noe in his choice of the Owensboro Daviess County Hospital as that medical facility which carved the pound of flesh so many of Representative Noe's detractors have sought in vain to extract.

"Section 17. KRS 161.675 is amended to read as follows:

(1) The board of trustees is empowered to enter into contracts with insurance carriers for the purpose of providing a broad program of hospital and medical insurance coverage to members retired for service or disability. Coverage may be extended to the spouses and minor children of said retired members, provided the member began participating in the Teachers' Retirement System prior to July 1, 1978. Coverage may also be extended to spouses and to minor children of members in active contributing status who are deceased prior to retirement if the surviving spouse is eligible to receive the member's retirement benefit as provided in KRS 161.525 and elects to do so. The board of trustees may offer, on a cost basis, coverage of spouses not eligible for regular coverage.

(2) ***(a)*** The coverage provided shall be as set forth in the contracts and the regulations of the board of trustees. The board of trustees may change the levels of coverage to meet the changing needs of the annuitants and when necessary to contain the expenses of the insurance program within the funds available to finance the insurance program. | ***Twenty (20) years or more*** | ***100%*** |

***The retiree may combine creditable Kentucky service in the Teachers' Retirement System with creditable service in the Kentucky Employees' Retirement System, the County Employees' Retirement System or the State Police Retirement System to determine eligibility. In this case the Teachers' Retirement System and the insurance fund created pursuant to KRS 61.702 shall each pay their percentage of the premium determined by the ratios of the retiree's service in the Teachers' Retirement System to total service, and the retiree's service in the retirement systems contributing to the insurance fund to total service, but the Teachers' Retirement System shall not contribute to the insurance costs of spouses, dependents and beneficiaries paid by the insurance fund pursuant to KRS 61.702(4).***

(3) The board of trustees is empowered to require the annuitant and the annuitant's spouse to pay a premium charge to assist in the financing of the insurance program. (4) If it is found that the employee is a person mentioned in paragraphs (a) or (b) of subsection (2) of this section and a subsequent compensable injury or occupational disease has resulted in additional permanent disability so that the degree of disability caused by the combined disabilities is greater than that which would have resulted from the subsequent injury or occupational disease alone, and the employee is entitled to receive compensation on the basis of the combined disabilities, the employer shall be liable for the payment of all income benefits until the benefits paid have reached a percentage of the full income benefits awarded by the administrative law judge which is equal to the percentage of disability which would have resulted from the latter injury or occupational disease had there been no pre-existing disability or dormant, but aroused disease or condition.

(5) The remaining compensation for which such resulting condition would entitle the employe, including any compensation for disability resulting from a dormant disease or condition aroused into disabling reality by the injury or occupational disease, ***but excluding all compensation which the provisions of this chapter would have afforded on account of prior disabling disease or injury had it been compensated thereunder,*** shall be paid out of the special fund provided for in KRS 342.122. (b) Be deemed the insurer to the extent of its obligation on the covered claims and to such extent shall have all rights, duties, and obligations of the insolvent insurer as if the insurer had not become insolvent;

(c) Assess insurers amounts necessary to pay the obligations of the association under paragraph (a) of this subsection subsequent to an insolvency, the expenses of handling covered claims subsequent to an insolvency, and the cost of examinations under KRS 304.36-130 and other expenses authorized by this subtitle. Each member insurer shall be notified of the assessment not later than thirty (30) days before it is due. No member insurer may be assessed in any year an amount greater than one percent (1%) of that member insurer's net direct written premiums for the calendar year preceding the assessment. If the maximum assessment, together with the other assets of the association, does not provide in any one (1) year an amount sufficient to make all necessary payments, the funds available shall be prorated and the unpaid portion shall be paid as soon thereafter as funds become available. The association shall pay claims in any order which it may deem reasonable including the payment of claims as such are received from the claimants or in groups or categories of claims. Deferred assessments shall be paid when such payment will not reduce capital and surplus below required minimums. Such payments shall be refunded to those companies receiving larger assessments by virtue of such deferment, or at the election of any such company, credited against future assessments. Each member insurer serving as a servicing facility may set off against any assessment, authorized payments made on covered claims and expenses incurred in the payment of such claims by such member insurer;

(d) Investigate claims brought against the association and adjust, compromise, settle, and pay covered claims to the extent of the association's obligation and deny all other claims;

(e) Notify such persons as the commissioner directs under KRS 304.36-100 (2) (a);

(f) Handle claims through its employes or through one (1) or more insurers or other persons designated as servicing facilities. Designation of a servicing facility is subject to the approval of the commissioner, but such designation may be declined by a member insurer; and

(g) Reimburse each servicing facility for obligations of the association paid by the facility and for expenses incurred by the facility while handling claims on behalf of the association and shall pay the other expenses of the association authorized by this subtitle.

(2) The association may:

(a) Appear in, defend, and appeal any action on a claim brought against the association;

(b) Employ or retain such persons as are necessary to handle claims and perform other duties of the association;

(c) Borrow funds necessary to effect the purposes of this subtitle in accord with the plan of operation;

(d) Sue or be sued;

(e) Negotiate and become a party to such contracts as are necessary to carry out the purpose of this subtitle;

(f) Perform such other acts as are necessary or proper to effectuate the purpose of this subtitle; and

(g) Refund to the member insurers in proportion to the contribution of each member insurer to the association that amount by which the assets of the association exceed the liabilities, if, at the end of any calendar year, the board of directors finds that the assets of the association exceed the liabilities of the association as estimated by the board of directors for the coming year.

(1) An annual ad valorem tax for state purposes of thirty-one and one-half cents (31-1/2) upon each one hundred dollars ($100) of value of all real property directed to be assessed for taxation, and one and one-half cents (1-1/2) upon each one hundred dollars ($100) of value of all privately-owned leasehold interests in industrial buildings, as defined under KRS 103.200, ***one hundred percent (100%)*** owned and ***one hundred percent (100%)*** financed by a tax-exempt governmental unit, or tax-exempt statutory authority under the provisions of KRS Chapter 103 directed to be assessed for taxation, and one and one-half cents (1-1/2) upon each one hundred dollars ($100) of value of all tobacco directed to be assessed for taxation, and twenty-five cents (25) upon each one hundred dollars ($100) of value of all money in hand, shares of stock, notes, bonds, accounts and other credits, whether secured by mortgage, pledge or otherwise, or unsecured, except as otherwise provided in subsection (2) of this section, and one and one-half cents (1-1/2) upon each one hundred dollars ($100) of value of unmanufactured agricultural products, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all farm implements and farm machinery owned by or leased to a person actually engaged in farming and used in his farm operations, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all livestock and domestic fowl, one-tenth of one cent ($.001) upon each one hundred dollars ($100) of value of all tangible personal property located in a foreign trade zone as designated under 19 U.S.C. sec. 81, fifteen cents (15) upon machinery of individuals or corporations actually engaged in manufacturing, fifteen cents (15) upon commercial radio, television and telephonic equipment directly used or associated with electronic equipment which broadcasts electronic signals to an antenna, fifteen cents (15) upon property which has been certified as a pollution control facility as defined in KRS 224.850, one-tenth of one cent ($.001) upon property which has been certified as an alcohol production facility as defined in KRS 247.910, or as a fluidized bed energy production facility as defined in KRS 211.390, twenty-five cents (25) upon each one hundred dollars ($100) of value of motor vehicles qualifying for permanent registration as historic motor vehicles under the provisions of KRS 186.043, and forty-five cents (45) upon each one hundred dollars ($100) of value of all other property directed to be assessed for taxation shall be paid by the owner or person assessed except as provided in subsection (2) of this section and KRS 132.030, 132.050, 132.200, 136.270, 136.300, 136.320 and other sections providing a different tax rate for particular property.

(2) An annual ad valorem tax for state purposes of one and one-half cents (1-1/2) upon each one hundred dollars ($100) of value shall be paid upon the following classes of intangible personal properties, when such intangible personal properties have not acquired a taxable situs without this state:

(b) Patents, trademarks, copyrights and licensing or royalty agreements, relating thereto; and

(3) "Affiliated company" shall mean a parent corporation or subsidiary corporation, and any corporation principally engaged in business outside the United States in which the owner or the person assessed directly or indirectly owns or controls not less than ten percent (10%) of the outstanding voting stock.

### Message from the Governor

Announcing the veto of **HB 314**.

The veto message on **HB 314** is as follows:

"Pursuant to the authority vested in me by Section 88 of the Constitution of the Commonwealth of Kentucky, I, Wallace G. Wilkinson, Governor of the Commonwealth of Kentucky, do hereby veto House Bill 314.

This bill represents a complex and comprehensive overhaul of KRS Chapter 56 relating to state real property lease acquisition practices. It creates an elaborate web of new rules and procedures which thrust a substantial additional workload on personnel in all branches of state government. Costs and expenses allocable to lease administration will rise and in certain cases direct rental payments will increase due to the constraints imposed by this bill. No report or analysis projecting how any monetary savings will be achieved has been prepared. The fact is this bill will cost, not save, the taxpayers money.

At a minimum, this legislation will result in an annual expenditure of $175,000 in additional personnel costs to comply with the reporting, auditing, and reviewing processes mandated by the bill, with no concomitant savings realized in lease rental payments.

No oversight, investigative or adjudicative body has been presented any evidence about any leasing project that proves or infers any lease currently in effect would have been awarded differently if **HB 314** had been in effect at the time. This proves that expensive and time consuming process and procedures imposed by the bill are not economically justified. Dozens of lease files were examined by the interim committee and staff last summer. No problems were reported. Neither the Capital Construction and Bond Oversight Committee nor any other legislative committee has taken the position of record that any present lease should not have been awarded or was cost excessive or programmatically unjustified.

All records pertaining to leases are public records available for public inspection and subject to intense scrutiny, and all cases in excess of $200,000 per year are reported to the Capital Projects and Bond Oversight Committee.

There is absolutely no need to tamper with a law that is working as well as the current state leasing law is."

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 320 IS CREATED TO READ AS FOLLOWS:

***(1) The board may investigate any suspected grounds for disciplinary action and may hire persons to investigate on its behalf. The board shall have the power to issue investigatory subpoenas for the appearance before the board of any person within the jurisdiction of the Commonwealth of Kentucky and to require production of any record, document or other item. The board may seek enforcement of investigatory subpoenas in the courts of the Commonwealth as may be necessary.***

***(2) The board may initiate disciplinary proceedings based upon information within its knowledge or received from other persons. A majority of the board members may direct the issuance of a complaint; in such instances, the board shall prepare a written complaint which shall be signed by the chairman of the board and which shall contain sufficient information to apprise the named optometrist of the nature of the charges. A complaint shall be delivered to the charged optometrist by personal delivery or by certified mail to the optometrist's last known address. The optometrist shall file a response within twenty (20) days***

*after the date of delivery. The board may then review the optometrist's response, and dismiss the complaint, issue a private and confidential reprimand to the optometrist, or schedule further proceedings.*

*(3) If the board decides to schedule the matter for further proceedings, it shall assign the matter for full hearing by the board, or if the board directs, by any individual member of the board or a hearing officer. The board may schedule such prehearing conferences as it deems necessary. The board shall schedule a hearing no sooner than twenty (20) days after service upon the charged optometrist of the notice of date, time and place for the hearing.*

*(4) The board and the charged optometrist may be represented by counsel at the hearing. A record of the proceedings shall be made. The board, any of its members, or the hearing officer may administer oaths, rule on questions of admissibility of evidence, accept the depositions of witnesses, and compel the appearance of persons by subpoena. The board may petition the courts of the Commonwealth to punish as contempt the failure of a person or entity to obey a subpoena or other process, or any contemptuous conduct directed to the board.*

*(5) Upon completion of the hearing, the board, its presiding member or the hearing officer, shall prepare findings of fact and conclusions of law. The board shall then issue its final order which shall be delivered to the charged optometrist by personal delivery or certified mail directed to his last known address. The board may revoke or suspend a license, place an optometrist on terms and conditions of probation, limit an optometrist's license privileges, or issue a private or public reprimand.*

*(6) If a board member serves as a hearing officer for a prehearing, informal conference or a hearing, he shall abstain from voting on any final order which results from the hearing.*

*(7) All costs of the proceeding may be assessed against the charged optometrist if a finding of guilt is made by the board.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 320 IS CREATED TO READ AS FOLLOWS:

*An optometrist who, by final order of the board has been subjected to any disciplinary action may file an appeal. The action on appeal shall be filed with the Franklin Circuit Court within thirty (30) days of the date of the board's order. Grounds for appeal shall be that the board's order is arbitrary, capricious, contrary to law, the product of fraud or that the decision of the board is unsupported by substantial evidence in the record. The board shall file with the Circuit Court a certified copy of the record of the proceeding. The court shall review the action on the record and no new evidence may be considered by the court on appeal. The board's order shall be stayed until final determination of the appeal, unless the court, upon motion of the board, finds that irreparable harm may result to the public unless the order is enforced during the pendency of the appeal.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 320 IS CREATED TO READ AS FOLLOWS:

*(1) When the board has reason to believe, based upon its own information or a complaint or inquiry directed to the board, that an optometrist is suffering from a physical or mental condition that might impede his ability to practice competently, the board may order the optometrist to undergo a physical or mental examination by persons designated by the board.*

*(2) Failure of an optometrist to submit to an examination when directed shall constitute an admission that the concerned optometrist has developed a physical or mental disability, or other conditions, that continued practice is dangerous to patients or to the public and the board may act accordingly pursuant to KRS 320.310.*

*(3) The board may limit the optometrist's license privileges pursuant to this section in addition to the other alternatives set forth in KRS 320.310.*

*(4) An optometrist whose license has been suspended, limited or revoked under this section shall, at reasonable intervals, be afforded an opportunity to demonstrate that he is able to resume the competent practice of optometry with reasonable skill and safety to patients.*

SECTION 4. A NEW SECTION OF KRS CHAPTER 320 IS CREATED TO READ AS FOLLOWS:

***(4) The board may establish regulations to govern advertising under this section and by regulation may institute a procedure requiring prepublication approval of advertisements by the board.***

***(5) In the event that the board disapproves any advertisement pursuant to its regulations, the optometrist submitting the advertisement may request a hearing before the board. The board may consider any additional information submitted to it by the optometrist, or other individuals, and shall issue its final decision concerning the advertisement in writing.***

***(6) Any optometrist aggrieved by a final decision of the board concerning an advertisement may appeal to the Franklin Circuit Court in the same manner provided in this chapter for appeals from disciplinary actions.***

SECTION 5. A NEW SECTION OF KRS CHAPTER 320 IS CREATED TO READ AS FOLLOWS:

A temporary mandatory certificate may be issued to the graduate respiratory care practitioner which shall be effective until receipt of a passing score from the first available National Board*

The holder of a mandatory certificate who does not successfully pass the first available National Board for Respiratory Care entry level certification examination for which he is eligible shall cease and desist performing any services as a respiratory care practitioner. Failure to comply in this instance shall subject him to prosecution for practicing as a respiratory care practitioner without a mandatory certificate. However, a failing score on the entry level certification examination shall not prevent an applicant from applying for and taking subsequent entry level certification examinations according to National Board for Respiratory Care guidelines;*

*(c) Individuals that do not hold a valid certificate of registry or certification, but who have practiced respiratory care in the Commonwealth of Kentucky for a minimum of twenty-four (24) months under medical supervision, and who provide satisfactory documentation of such experience, may apply to the board for a mandatory certificate, provided such documentation is presented within twelve (12) months of the effective date of this Act;*

This limited mandatory certificate is in no manner required for individuals actively enrolled in an accredited program while performing uncompensated clinical activities required by the program.*

Mandatory certificates issued by the board shall expire and shall not be renewed unless the certificate holder submits proof to the board of compliance with Section 5 of this Act. On and after the date on which a person's mandatory certificate has expired, he may apply for reinstatement within five (5) years of the expiration of the mandatory certificate. The applicant shall show compliance with the current continuing education requirement in force at the time of mandatory certificate renewal application. After expiration of a five (5) year period, current standards for mandatory certification shall be met. The board may require individualized conditions for reinstatement.*

When these have been filed, the court has exclusive jurisdiction to affirm, modify, enforce, or set aside the order, in whole or in part. The commencement of proceedings under this section does not, unless specifically ordered by the court, operate as a stay of the board's order. An appeal may be taken from the judgment of the Franklin Circuit Court to the Court of Appeals on the same terms and conditions as an appeal is taken in civil actions.*

SECTION 9. A NEW SECTION OF KRS CHAPTER 314A IS CREATED TO READ AS FOLLOWS:

No person who applies for renewal, whose mandatory certificate has expired, shall be required to submit to any examination as a condition to renewal, provided such renewal application is made within five (5) years from the date of such expiration. No person shall practice respiratory care in this state unless he holds a valid certificate. All mandatory certificates not renewed by March 2 following the date of issuance shall be deemed expired.

*(4) A suspended mandatory certificate is subject to expiration and shall be renewed as provided in this chapter, but such renewal shall not entitle the respiratory care practitioner, while the mandatory certificate remains suspended, and until it is reinstated, to engage in mandatory certification activities, or in any other activity or conduct in violation of the order of judgment by which the mandatory certificate was suspended. The Committee on Business Organizations reported **HB 157** with Committee Substitute and Committee Amendments attached thereto, with the expression of opinion that the same should pass. Ordered referred to the Committee on Rules.

The Committee Substitute to **HB 157** is as follows:

**HB 157,** AN ACT relating to revenue and taxation.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 131.170 is amended to read as follows:

The Revenue Cabinet may, when extension is not otherwise provided for, grant a reasonable extension of time for filing reports or returns whenever, in its judgment, good cause therefor exists. The cabinet shall keep a record of such extensions. Except where a taxpayer is abroad, no extension shall be granted for more than six (6) months, and in no case for more than one (1) year. If any extension operates to postpone a tax payment, interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of one-half of one percent (.5%) per month or part thereof~~] shall be collected. The cabinet may condition the extension upon a bond sufficient to cover any tax and penalty determined to be due. The cabinet may, on request, permit a person to file a tax return or report or pay tax on a date other than that prescribed by statute, or to change the fiscal period covered by such return or report, if such a variation will not ultimately effect a reduction in revenue.

Section 2. KRS 136.050 is amended to read as follows:

(1) Except where otherwise specially provided, all corporations required to make reports to the Revenue Cabinet shall pay all taxes due the state from them into the State Treasury at the same time as natural persons are required to pay taxes, and when delinquent shall pay the same rate of interest and penalties as natural persons who are delinquent.

(2) All state taxes assessed against any corporation under the provisions of KRS 136.120 to 136.200 shall be due and payable as provided in KRS 131.110. All county, city, school and other taxes so assessed shall be due and payable thirty (30) days after notice of the amount of the tax is given by the collecting officer. The state, county, city, school and other taxes found to be due on any protested assessment or portion thereof shall begin to bear legal interest on the sixty-first day after the Kentucky Board of Tax Appeals acknowledges receipt of a protest of any assessment or enters an order to certify the unprotested portion of any assessment until paid, except that in no event shall interest begin to accrue prior to January 1 following March 31 of the year in which the report is due. Every corporation so assessed that fails to pay its taxes when due shall be deemed delinquent, a penalty of ten percent (10%) on the amount of the tax shall attach, and thereafter the tax shall bear interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of ten percent (10%) per annum~~].

Section 3. KRS 137.180 is amended to read as follows:

(1) Each person engaged in the business of conducting a race track shall, on or before thirty (30) days following the close of each duly licensed race meeting, furnish the Revenue Cabinet a verified report of the number of days on which races were conducted on that race track during the race meeting, together with a statement of its daily mutuel handle for each such day during the said meeting, and at the same time pay to the state the tentatively correct amount of the license tax apparently due it pursuant to KRS 137.170.

(2) On or before December 31 in each year each [~~such~~] person ***engaged in the business of conducting a race track*** shall file a final report with the Revenue Cabinet giving in summary form a recapitulation of the information furnished by the previous tentative reports filed during the year, computing the final license tax due the state for the year ending November 30 and showing the amount of license tax actually paid during ***the*** [~~such~~] year. Any balance of license tax due the state as shown on ***the*** [~~said~~] final report shall be paid at the same time as the filing thereof. Any overpayment in license tax disclosed by ***the*** [~~said~~] final report shall, at the option of the taxpayer, be promptly refunded by the state or credited against the license tax to be due from the taxpayer in the following year.

(3) Any person who fails to pay the tax due in the time specified shall pay a penalty equal to twenty percent (20%) of the amount of tax due and delinquent, together with interest at ***the tax interest rate as defined in KRS 131.010(6)*** [~~six percent (6%) per annum on both the original tax and the penalty~~].

Section 4. KRS 138.4631 is amended to read as follows:

(1) If any holder of a permit under KRS 138.463(2) fails or refuses to file a return or furnish any information requested in writing, the cabinet may, from any information in its possession, make an estimate of the permit holder's gross rental or lease charges and issue an assessment against ***the*** [~~such~~] permit holder based on the estimated gross rental or lease charges and add a penalty of ten percent (10%) of the amount of the assessment so determined. This penalty shall be in addition to all other applicable penalties provided by law.

(2) If any holder of a permit under KRS 138.463(2) fails to make and file a return required by KRS 138.463 on or before the due date of the return or the due date as extended by the cabinet, then, unless it is shown to the satisfaction of the cabinet that the failure is due to a reasonable cause, five percent (5%) of the tax found to be due shall be added to the tax for each thirty (30) days or fraction thereof elapsing

between the due date of the return and the date on which filed, but the total penalty shall not exceed twenty-five percent (25%) of the tax; provided, however, that in no case shall the penalty be less than ten dollars ($10).

(3) If the tax imposed by KRS 138.463, whether assessed by the cabinet or the permit holder, or any installment or portion of the tax is not paid on or before the date prescribed for its payment, there shall be collected, as a part of the tax, interest upon the unpaid amount at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of twelve percent (12%) per annum~~] from the date prescribed for its payment until payment is actually made.

Section 5. KRS 139.610 is amended to read as follows:

(1) The cabinet shall upon written request received on or prior to the due date of the return or tax, for good cause satisfactory to the cabinet, extend the time for filing the return or paying the tax for a period not exceeding thirty (30) days.

(2) Any person to whom an extension is granted and who pays the tax within the period for which the extension is granted shall pay, in addition to the tax, interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of eight percent (8%) per annum~~] from the date on which the tax would otherwise have been due.

Section 6. KRS 140.210 is amended to read as follows:

(1) All taxes imposed by this chapter, unless otherwise provided in this chapter, shall be due and payable to the Revenue Cabinet at the death of the decedent. If they are paid within nine (9) months a discount of five percent (5%) shall be allowed, and if they are paid within eighteen (18) months no interest shall be charged and collected thereon. If the taxes due are not paid within eighteen (18) months, a penalty of ten percent (10%) per annum shall be charged and collected from the time the taxes accrued, except in cases where, by reason of claims made upon the estate, necessary litigation, or other unavoidable cause of delay, the estate of the decedent or a part thereof cannot be settled at the end of eighteen (18) months from the death of the decedent. In such cases ***interest at the tax interest rate as defined in KRS 131.010(6)*** [~~only eight percent (8%) per annum~~] shall be charged upon the tax from the expiration of ***the*** [~~said~~] eighteen (18) months until the cause of the delay is removed.

(2) In all cases where the personal representatives or trustees do not pay the taxes within eighteen (18) months from the death of the decedent, they shall be required to give bond in the form and to the effect prescribed by the cabinet, for the payment of the taxes and interest.

Section 7. KRS 140.320 is amended to read as follows:

In the event a qualified person sells, conveys, or otherwise transfers the ownership, directly or indirectly, of the qualified real estate to any person or persons other than another qualified person who is a joint owner or the qualified real estate is converted to a use other than agricultural or horticultural use, then the qualified persons to whom the property passed at the death of the decedent in whose estate the agricultural or horticultural value shall cause to be paid, pursuant to regulations issued by the Revenue Cabinet, the additional inheritance tax that would have been due on the decedent's estate if fair market value had been used to compute the tax due on the estate rather than the agricultural or horticultural value, along with interest on the unpaid tax at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of eight percent (8%) per annum~~].

Section 8. KRS 143A.110 is amended to read as follows:

In every case, any tax not paid on or before the due date shall bear interest at the ***tax interest rate as defined in KRS 131.010(6)*** [~~rate of ten percent (10%) per annum~~] from the date due until the date of payment.

Section 9. KRS 234.420 is amended to read as follows:

(1) If any liquefied petroleum gas motor fuel dealer neglects or refuses to make the return required by KRS 234.370 or to pay the tax at the time provided, a penalty of twenty percent (20%) thereof and interest at ***tax interest rate as defined in KRS 131.010(6)*** [~~six percent (6%) per annum~~] from the date when due shall be paid as a part of the tax. If collected by proceedings in court, an additional penalty of twenty percent (20%) shall be collected and distributed as is authorized by KRS 134.400 and 135.060.

(2) If any taxpayer subject to the penalty provided in subsection (1) of this section submits in writing to the cabinet his reasons for failure to comply with KRS 234.370, and if the cabinet finds the reasons evidence of justifiable cause for modifying the penalty provided in subsection (1) of this section, it may modify the penalty exacted therein to five percent (5%) of the amount of the tax due and delinquent, provided the five percent (5%) penalty may be reduced to a one percent (1%) penalty if the violation is the first violation by the taxpayer within twelve (12) months.

(3) Any liquefied petroleum gas motor fuel dealer who fails to make any return required under KRS 234.370 within the time required shall pay a penalty of ten dollars ($10.00) to be assessed and collected in the manner provided for the assessment and collection of taxes under KRS 234.310 to 234.440 or in a civil action initiated by the cabinet. In addition such delinquent taxpayer may be compelled to make the required report or return.

SECTION 10. A NEW SECTION OF KRS CHAPTER 132 IS CREATED TO READ AS FOLLOWS:

***(1) Mobile homes not held for resale by a dealer shall be classified as real property for the purpose of the levy and assessment of ad valorem taxes, regardless of whether or not the wheels or mobile parts have been removed and whether or not the unit rests on a permanent, fixed foundation.***

Section 11. KRS 132.720 is amended to read as follows:

The assessed value of property on which homestead exemption is claimed shall not be increased because of valuation expressed on the application form filed with the property valuation administrator, and whenever it becomes known that the valuation of property subject to the homestead tax exemption has been increased because of valuation expressed on the application form, adjustment shall be made the following year so that the total tax paid by the taxpayer is the same as if the increase had not been made.

(2) (a) Every person filing an application for exemption under the homestead exemption provision must be sixty-five (65) years of age or older during the year for which application is made or must have been classified as totally disabled under a program authorized or administered by an agency of the United States government or by the railroad retirement system on January 1 of the year in which application is made.

**HB 540**, AN ACT relating to proceedings in death penalty cases.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

SECTION 1. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

***(1) In cases in which the death penalty is sought, there may be a review of all pretrial proceedings by the Supreme Court upon a determination by the trial judge under Section 2 of this Act that review is appropriate. The review shall be initiated by the trial judge's filing in the office of the circuit clerk and delivering to the parties a report certifying that all pretrial proceedings in the case have been completed and that the case stands ready for trial. Within ten (10) days after the filing of the report or the receipt of transcripts of the proceedings, whichever is later, the prosecutor and the defendant may each file with the circuit clerk and serve upon the opposing party a report identifying all areas of the pretrial proceedings with respect to which reversible error may arguably have occurred. Either party may consolidate with the report an application for appeal with respect to any order, decision, or judgment entered in the case. Any application for appeal shall be in the form otherwise appropriate, but:***

***(a) Any application for appeal shall be filed with the circuit clerk rather than the clerk of the Supreme Court;***

***(b) The opposing party shall not be required or permitted to respond to an application for appeal; and***

***(c) No certificate of immediate review shall be required for the filing of the application for appeal.***

***(2) The reports of the trial judge, prosecutor, and defendant under subsection (1) of this section shall be in the form of standard questionnaires prepared and supplied by the Supreme Court. The questionnaires shall be designed to determine whether there is arguably any existence of reversible error with respect to any of the following matters:***

*(a) Any proceedings with respect to change of venue;*

*(b) Any proceedings with respect to recusal of the trial judge;*

*(c) Any challenge to the jury array;*

*(d) Any motion to suppress evidence;*

*(e) Any motion for psychiatric or other medical evaluation; and*

*(f) Any other matter deemed appropriate by the Supreme Court.*

*(3) Upon the filing of the reports of the parties, the circuit clerk shall transmit to the Supreme Court the report of the trial judge, the transcripts of proceedings, and the reports of the parties together with any application for appeal consolidated therewith. A copy of all of the foregoing shall also be delivered by the circuit clerk to the Attorney General.*

*(4) The Supreme Court shall issue an order granting review of the pretrial proceedings, or portions thereof, or denying review within twenty (20) days of the date on which the case was received. The order of the Supreme Court shall identify the matters which shall be subject to review, and the matters may include, but need not be limited to, any matters called to the court's attention in any of the reports or in any application for appeal. No notice of appeal shall be required to be filed if review of the pretrial proceedings is granted. An order granting review of pretrial proceedings shall specify the period of time within which each party shall file briefs and reply briefs with respect to the matters identified in the Supreme Court's order granting review. The Supreme Court may order oral argument or may render a decision on the record and the briefs.*

*(5) If requested by the Commonwealth's attorney, the Attorney General shall assist in the review and appeal provided for in this section.*

*(6) Review of any matter under this section shall, as to any question passed on in the review, be res judicata as to the question and shall be deemed to be the law of the case.*

*(7) The procedure under this section shall not apply to any ruling or order made, invoked, or sought subsequent to the filing of the report of the trial judge.*

*(8) The failure of either party to assert the rights given in this section, or the failure of the Supreme Court to grant review, shall not waive the right to posttrial review of any question review of which could be sought under this section and shall not constitute an adjudication as to such question.*

SECTION 2. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

*Prior to the filing of a report by the trial judge under Section 1 of this Act certifying that pretrial proceedings are complete, the court shall conduct a hearing to determine if an interim appellate review of pretrial rulings is appropriate. The court shall hear from the state and the defense as to whether the delay to be caused by interim appellate review outweighs the need for the review. The court shall order the review and initiate the procedure contained in Section 1 of this Act unless the court concludes and enters an order to the effect that interim appellate review would not serve the ends of justice in the case. An order obviating interim appellate review shall not be appealable.*

SECTION 3. A NEW SECTION OF KRS CHAPTER 532 IS CREATED TO READ AS FOLLOWS:

*(1) The Supreme Court of Kentucky shall establish, by rules, a unified review procedure to provide for the presentation to the sentencing court and to the Supreme Court of all possible challenges to the trial, conviction, sentence, and detention of defendants upon whom the sentence of death may be imposed. This unified review procedure shall govern both pretrial and posttrial appellate review of death penalty cases.*

*(2) The Supreme Court shall establish, by rules, a series of check lists to be utilized by the trial court, the Commonwealth's attorney, and defense counsel prior to, during, and after the trial of cases in which the death penalty is sought, to make certain that all possible matters which could be raised in defense have been considered by the defendant and defense counsel and either asserted in a timely and correct manner or waived in accordance with applicable legal requirements, so that, for purposes of any pretrial review and the trial and posttrial review, the record and transcript of proceedings will be complete for a review by the sentencing court and the Supreme Court of all possible challenges to the trial, conviction, sentence, and detention of the defendant.*

*(3) Nothing in this section or in the rules of the Supreme Court shall limit or restrict the grounds of review or suspend the rights or remedies available through the procedures governing the writ of habeas corpus.*

***(4) The procedures governing the writ of habeas corpus may be employed to assert rights or seek remedies if the procedures established in the rules of the Supreme Court as applied to the petitioner are inadequate or ineffective in any constitutional sense.***

For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person or operator for the full amount of the assessed penalty. The permittee shall submit updates of this information as changes occur or as otherwise provided by administrative regulation; however, failure to submit ***the*** [~~such~~] updated information shall constitute a violation of this chapter only upon the permittee's refusal or failure to timely submit ***the*** [~~such~~] information to the cabinet upon request. Upon receipt of ***the*** [~~such~~] updated information satisfactory to the cabinet, the cabinet shall promptly update its computer system containing ***the*** [~~such~~] information;

(h) A listing of any [~~and all~~] violations of this chapter, Public Law 95-87, and any law, rule or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three (3) year period prior to the date of an application. ***The*** [~~Such a~~] list shall indicate the final resolution of the violations; and

(i) Whether the area of land to be affected by the operation has been previously mined and is [~~not~~] in compliance with current reclamation standards, ***and*** if ***not*** [~~so then~~] identify the needed reclamation work.

(4) The application for a permit shall be accompanied by an official document*,* [~~(~~]and an affidavit attesting to the document's authenticity*,*[~~)~~] which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, [~~then~~] an affidavit so stating.

(5) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States geological survey topographic map or [~~such~~] other map acceptable to the cabinet on which the operator has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which ***the*** [~~such~~] drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.

(6) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States geological survey topographic map or [~~such~~] other map acceptable to the cabinet meeting the requirements of paragraphs (a) to (i) of this subsection. The map shall:

(a) Be prepared and certified by a professional engineer registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection ***(8)*** [~~(10)~~] of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;

(b) Identify the area to correspond with the application;

(c) Show adjacent deep mining;

(d) Show the boundaries of surface properties and names of owners of the affected area and adjacent to any part of the affected area;

(e) Be of a scale of 1:24,000 or larger;

(f) Show the names and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of ***the*** [~~such~~] area;

(g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;

(h) Show the date on which the map was prepared, the north point and the quadrangle name; and

(i) Show the drainage plan on and away from the area of land affected. ***The*** [~~Such~~] plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(7) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability.[~~; provided, however, that~~] This determination shall not be required until ***the*** [~~such~~] time [~~as~~] hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. [~~Provided further, that~~] The permit shall not be approved until ***the*** [~~such~~] information is available and is incorporated into the application.

(8) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.

(9) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation, the manner, time and distance for backfilling, grading work and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and administrative regulations adopted pursuant thereto.

(10) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations of the cabinet. ***The*** [~~Such~~] coverage shall be maintained in full force and effect during the terms of the permit and any ***permit*** renewal [~~thereof~~], and until reclamation operations are completed.

(11) A basic fee set by administrative regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars ($375), plus a fee set by administrative regulation but not to exceed seventy-five dollars ($75), for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required herein shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The operator shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. In determining the amount of the bond, the cabinet shall take into consideration the character and nature of the overburden, the future suitable use of the land involved, the cost of backfilling, grading and reclamation to be required, and the probable difficulty of reclamation, giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate administrative regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of [~~such~~] bonds.

(12) Surface coal mining and reclamation operations which affected two (2) acres or less, as defined by administrative regulations of the cabinet, which were conducted pursuant to two-acre-or-less permits issued by the cabinet, which were commenced on or before June 5, 1987, and on which mining ceased on or before November 7, 1987, shall be exempt from the requirements of this chapter, except as follows. Reclamation of such operations shall be accomplished in accordance with administrative regulations promulgated by the cabinet for operations of two (2) acres or less. [~~In no event shall~~] The cabinet ***shall not*** require that the highwalls left by ***the*** [~~such~~] operations be eliminated. Bond shall be maintained until reclamation is successfully completed. All procedural provisions and the penalty provisions of KRS 350.990 shall[~~, however,~~] apply to operations conducted pursuant to this subsection. The cabinet shall enforce this subsection consistent with this chapter, except that the cabinet shall not issue orders requiring cessation of operations for mere failure to abate a violation.

(13) The cabinet shall promulgate administrative regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the cabinet shall require that all the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection ***(11)*** [~~(14)~~] of this section***, KRS 350.070,*** or [~~of~~] KRS 350.151.

(14) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. ***An applicant for renewal of a permit shall pay a basic fee set by regulation, not to exceed three hundred seventy-five dollars ($375).*** The holders of the permit may apply for renewal and ***the*** [~~such~~] renewal shall be issued, provided that on application for renewal the burden shall be on the opponents of renewal, subsequent to the fulfillment of the public notice requirements of this chapter, unless it is established and written findings by the cabinet are made that:

(a) The terms and conditions of the existing permit are not being satisfactorily met;

(b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;

(c) The renewal requested substantially jeopardizes the operator's continuing responsibility on existing permit areas;

(d) The operator has not provided evidence that the performance bond in effect for ***the*** [~~said~~] operation will continue in full force and effect for any renewal requested in ***the*** [~~such~~] application as well as any additional bond the cabinet might require; or

(e) Any additional revised or updated information required by the cabinet has not been provided.

Prior to the approval of any renewal of permit, the cabinet shall provide notice to the appropriate public authorities.

(15) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.

(16) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred twenty (120) days prior to the expiration of the valid permit.

(17) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by ***the*** [~~such~~] permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that ***the*** [~~such~~] extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at such time as the construction of the synthetic fuel or generating facility is initiated.

(18) Each application for a permit or revision for auger mining on a previously mined area must contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

(19) All operations involving the loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

Section 2. KRS 350.070 is amended to read as follows:

(1) ***Any*** [~~Revisions which request~~] extensions of the area covered by the permit, except incidental boundary revisions, shall be made by application for another permit ***or an amendment to the permit.***

***(2) For an amendment,*** the operator shall file an application, map and revised reclamation plan in the same form and with the same content as required for an original application under this chapter and shall pay a basic fee set by regulation and bearing a reasonable relationship to the cost of processing the permit application, [~~but~~] not to exceed ***three hundred seventy-five dollars ($375)*** [~~two hundred fifty dollars ($250)~~], plus a fee set by regulation, [~~but~~] not to exceed ***seventy-five*** [~~fifty~~] dollars ***($75),*** [~~($50)~~] for each acre or fraction of an acre for the increase requested, and shall file with the cabinet a supplemental bond in the amount to be determined under the provisions of KRS 350.060***(11)*** for each acre or fraction of an acre of the increase approved. ***This application shall be subject to all of the same requirements as an original application, including, but not limited to, the same public notice, review and issuance or denial provisions.***

***(3)*** If the cabinet approves a reduction in the acreage covered by the [~~original or supplemental~~] permit, it shall release the bond for each acre reduced, but in no case shall the bond be reduced below ten thousand dollars ($10,000)[~~, except as provided in subsection (12) of KRS 350.060~~]. If the cabinet approves a reduction in acreage [~~covered by the original or supplemental permit~~], it shall transfer the acreage fee for each acre reduced to acreage fees ***for*** [~~in~~] subsequent permit applications by the operator.

***(4)***[~~(2)~~] The cabinet shall promulgate regulations specifying the permit application information requirements and procedures, including notice and hearing, which shall apply depending on the scale or extent of a ***permit*** revision.[~~; provided, that~~] Any ***revision*** [~~permit revisions~~] which ***proposes*** [~~propose~~] significant alterations in the reclamation plan shall be subject to the notice and hearing requirements as set forth in the regulations of the cabinet. ***The applicant for a revision shall pay a basic fee set by regulation, not to exceed three hundred seventy-five dollars ($375), plus a fee set by regulation not to exceed seventy-five dollars ($75), for each acre or fraction of an acre included in an incidental boundary revision.***

Section 3. KRS 350.085 is amended to read as follows:

(1) No application for a permit and no operation shall be approved or allowed by the cabinet if there is found on the basis of the information set forth in the application that the requirements of this chapter or regulations will not be observed or that there is not probable cause to believe that the proposed method of operation, backfilling, grading or reclamation of the affected area can be carried out consistent with the purpose of this chapter.[~~;~~]

(2) If the cabinet finds that the overburden on any part of the area of land described in the application for a permit is such that experience in the Commonwealth with a similar type of operation upon land with similar overburden shows that substantial deposition of sediment in stream beds, landslides or acid water pollution cannot feasibly be prevented, the cabinet may delete ***the*** [~~such~~] part of the land described in the application upon which ***that*** [~~such~~] overburden exists.[~~;~~]

(3) Subject to valid existing rights, no surface coal mining operations except those which existed on or before August 4, 1977 shall be permitted within three hundred (300) feet from any occupied dwelling unless waived by the owner [~~thereof~~], nor within three hundred (300) feet of any public building, school, church, community, or institutional building, public park, or within one hundred (100) feet of a cemetery. [~~Nor shall~~] The cabinet ***shall not*** issue a permit if it finds that the operation will constitute a hazard to or do physical damage to a dwelling house, public building, school, church, cemetery, commercial or institutional building, public road, stream, lake or other public property. The cabinet shall delete ***the*** [~~such~~] areas from the permit application or operation.[~~;~~]

(4) Subject to valid existing rights, no surface coal mining operations except those which existed on or before August 4, 1977, shall be permitted within one hundred (100) feet of the outside right-of-way line of any public road, except where mine access roads or haulage roads join ***the*** [~~such~~] right-of-way line. [~~and except that~~] The cabinet shall permit ***the*** [~~such~~] roads to be relocated or the area affected to lie within one hundred (100) feet of ***the*** [~~such~~] road[~~,~~] if, after public notice and opportunity for public hearing in the locality, a written finding is made that the interest of the public and the ***affected*** land owner [~~affected thereby~~] will be protected, and shall not approve the application for a permit where the surface coal mining operation will adversely affect a wild river established pursuant to KRS Chapter 146, a state park or place listed on the national register of historic places unless adequate screening and other measures as approved by the cabinet are incorporated into the permit application.[~~;~~]

(5) Subject to valid existing rights, no surface coal mining operations except those which existed on August 4, 1977, shall be permitted on any privately owned lands within the boundaries of units of the national park system, the national wildlife refuge systems, the national system of trails, the national wilderness preservation system, the wild and scenic rivers system, including study rivers designated under Section 5(a) of the Wild and Scenic Rivers Act and national recreation areas designated by act of Congress.

(6) If based on the information provided pursuant to KRS ***350.060(3)(h)*** [~~350.060(5)(h)~~] and other relevant information, the cabinet finds that any surface coal mining and reclamation operation owned or controlled by the applicant is currently in violation of this chapter or other requirements listed pursuant to KRS ***350.060(3)(h)*** [~~350.060(5)(h)~~], the cabinet shall not issue the permit or permit renewal until the applicant submits proof satisfactory to the cabinet that ***the*** [~~such~~] violation has been corrected or is in the process of being corrected. It shall be grounds to deny a permit or permit renewal if the cabinet, based on any information available to it and after a hearing, makes a finding that the applicant, or the operator specified in the application has demonstrated a pattern of willful violations pursuant to KRS 350.130(3).

Section 4. KRS 350.093 is amended to read as follows:

(1) As determined by administrative regulations of the cabinet, time and distance limits shall be established requiring backfilling, grading and planting to be kept current, ***so*** [~~such~~] that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable under regulations promulgated by the cabinet. All backfilling and grading shall be completed before necessary equipment is moved from the operation; ***except*** [~~provided, however,~~] that the cabinet may for good cause approve the moving of equipment before all backfilling and grading is completed.

(2) (a) The cabinet may allow an operator to defer the time criteria of contemporaneous reclamation requirements on specified areas if the operator can demonstrate that ***the*** [~~said~~] deferment is necessary to address at least one (1) of the following:

1. Adverse condition including weather, labor and other conditions clearly beyond the operator's control;

2. Other bona fide mining operations carried out on a strip mined area, pursuant to KRS 350.080; ***or***

3. Coal marketing problems.

(b) Application for a deferment pursuant to this section shall be in the form prescribed by the cabinet. The applicant has the burden ***of*** [~~in~~] establishing the need for ***the*** [~~such~~] deferment. The applicant ***shall*** [~~must~~] demonstrate that reclamation on the site is contemporaneous as of the date of the request for deferment and that distance requirements for contemporaneous reclamation will be met during the period of the deferment. Approval of the deferment request shall be made in writing. The approval shall state that the deferment is justified and that no environmental damage will occur during the period of deferment. Reclamation deferments may be approved for a period reasonably related to the specified conditions justifying the deferment, but [~~in no event shall~~] the aggregate deferral period ***shall not*** exceed thirty (30) months.[~~, nor shall~~] The deferral ***shall not*** extend beyond the expiration date of the permit. The cabinet shall periodically reexamine and update the amount of the bond on the permit area so that the amount of the bond is sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture.

(3) If the operator or other person desires to conduct drift mining or other underground mining upon the premises or use the openings for haulageways or other lawful purposes, the operator may designate locations to be used for [~~such~~] purposes at which places it will not be necessary to backfill [~~as herein provided for~~] until ***the*** [~~such~~] drift or other underground mining or other use is completed, during which time the bond on file for that portion of the operation shall not be released. That portion of ***the*** [~~such~~] locations shall be described and designated on the map attached thereto. ***If***[~~; provided, that where~~] the operator or other person wishes to combine surface operations with underground mining operations to assure maximum practical recovery of coal resources, the cabinet may grant a variance, pursuant to regulations promulgated by the cabinet, for specific areas within the reclamation plan from the requirement that reclamation efforts proceed pursuant to subsection (1) of this section so as to permit underground mining operations prior to reclamation.

(4) The cabinet may release in whole or in part the reclamation bond or deposit for a particular operation if the cabinet is satisfied that the reclamation covered by the bond or deposit or portion thereof has been accomplished as required by this chapter. ***These*** [~~Such~~] bond releases shall be made in accordance with the following schedule:

(a) When the operator completes the backfilling, regrading, and drainage control of a bonded area in accordance with his approved reclamation plan, the release of sixty percent (60%) of the bond or collateral for the applicable permit area.

(b) After revegetation has been established on the regraded mined lands in accordance with the approved reclamation plan, additional bond or collateral for the applicable permit shall be released. When determining the amount of bond to be released after successful revegetation has been established, the cabinet shall retain that amount of the bond for the revegetated area which would be sufficient for a third party to cover the cost of reestablishing revegetation; ***this*** [~~such~~] amount shall be retained for the period specified for operator responsibility for reestablishing revegetation. No part of the bond or deposit shall be released under this subsection ***as*** [~~so~~] long as the lands to which the release would be applicable are contributing suspended solids to streamflow or runoff outside the permit area in excess of requirements set by this chapter or until soil productivity for prime farm lands has returned to levels of yield equivalent to those of unmined land of the same soil type in the surrounding area under equivalent management practices as determined from [~~such~~] soil surveys ***that*** [~~as~~] may be required to be included in the permit application. ***If*** [~~Where~~] a sedimentation pond is to be retained as a permanent impoundment, the portion of bond may be released under this subsection so long as provisions for sound future maintenance by the operator or the landowner have been made with the cabinet.

(c) When the operator has completed successfully all surface coal mining and reclamation activities, the release of the remaining portion of the bond, or collateral, but not before the expiration of the period specified for operator responsibility. [~~Provided, however, that~~] No bond shall be fully released until all reclamation requirements of this chapter are fully met.

(5) Upon satisfying the requirements of subsections (4)(a), (b), or (c) of this section the permittee may file, or the cabinet shall initiate, an application for total or partial bond release.

(a) A permittee shall have the right to begin public advertisement of its request for bond release at the time it files its request for ***the*** [~~such~~] release. The cabinet may undertake, at permittee expense, public advertisement of any cabinet initiated bond release. ***If*** [~~Should~~] the cabinet ***initiates*** [~~initiate~~] a bond release pursuant to this subsection but ***chooses*** [~~choose~~] not to advertise the release pursuant to this section, and the permittee does not advertise the request for the release within the time schedules established by this subsection, the bond release application shall be denied. All public advertisements of bond release applications, whether authorized by the permittee or the cabinet, ***shall*** [~~must~~] begin within sixty (60) days after either the filing of a bond release request by the permittee or the initiation of a bond release by the cabinet. Public advertisement shall occur at least once a week for four (4) successive weeks in a newspaper of general circulation in the locality of the surface coal mining operation.

(b) The public advertisement required by this subsection shall include: the permit number and permit approval date, notification of the precise location of the land affected, the number of acres, the type and amount of the bond filed and the portion sought to be released, the type and appropriate dates of reclamation work performed, a description of the results achieved as they relate to the operator's approved reclamation plan, and the name and address of the cabinet to which written comments, objections, or requests for public hearings and informal conferences on the specific bond release may be submitted. Proof of [~~such~~] advertisement shall be placed with the bond release application within thirty (30) days after ***the*** [~~such~~] advertisement.

(c) Within thirty (30) days of filing of any bond release request, the permittee shall submit copies of letters which it has sent to adjoining property owners, local governmental bodies, planning agencies, sewage and water treatment authorities, and water companies in the locality in which the surface coal mining and reclamation operation took place, notifying them of the intention to seek release from the bond. For bond releases initiated by the cabinet, the cabinet shall undertake the notification requirements set forth in this subsection.

(d) Upon the filing of an application for bond release by a permittee, or the initiation of ***the*** [~~such~~] release by the cabinet, the cabinet shall notify, within thirty (30) days of ***the*** [~~such~~] filing or initiation, the municipality where the surface coal mining operation is located, pursuant to regulations promulgated by the cabinet.

(6) Upon the filing of any partial or total bond release request by a permittee, the cabinet shall within thirty (30) days conduct an inspection and evaluation of the reclamation work involved. ***The*** [~~Such~~] evaluation shall consider, among other things, the degree of difficulty to complete any remaining reclamation, whether pollution of surface or subsurface water is occurring, the probability of continuance of future occurrence of ***the*** [~~such~~] pollution, and the estimated cost of abating ***the*** [~~such~~] pollution.

(7) The cabinet shall notify the permittee in writing of its decision to release or not to release all or part of the performance bond or deposit within five (5) days following receipt of proof of public advertisement as required in subsection (5)(b), or the end of the thirty (30) day public comment period, whichever is later, if no public hearing is held pursuant to subsection ***(10)***[~~(9)~~] of this section; and if there has been a public hearing held pursuant to subsection ***(10)***[~~(9)~~] of this section, within thirty (30) days thereafter.

(8) If the cabinet disapproves the application for release of the bond or portion thereof, the cabinet shall notify the permittee, in writing, stating the reasons for disapproval and recommending corrective actions necessary to serve ***the*** [~~said~~] release and allowing opportunity for a public hearing. [~~In no event shall~~] The cabinet ***shall not*** disapprove an application for release of a surety bond or a bond secured by a letter of credit as provided for under subsection (4)(a) or (b) of this section or under the partial release provisions applicable to an interim permit, or take any action to forfeit ***the*** [~~such~~] surety bond, or bond secured by letter of credit, solely upon the permittee's failure to pay penalties or fines, if applicable reclamation requirements for the requested release have been fully met. The cabinet shall not continue to hold under the interim or permanent program remaining surety bond proceeds or the remaining bond secured by a letter of credit where a forfeiture has occurred solely as a result of a failure to pay penalties or fines, if the reclamation requirements of this chapter have been fully met.

(9) The bond liability of the permittee shall include only those actions which the permittee is obliged to take under the permit, including completion of the reclamation plan. Actions of third parties which are beyond the control and influence of the permittee and for which the permittee is not responsible under the permit shall not be covered by the bond.

(10) Any person having a valid legal interest which might be adversely affected by release of the bond, and the responsible officer or head of any governmental agency so designated by cabinet regulations, shall have the right to file written objections to the proposed bond release with the cabinet, and to request a hearing in accordance with procedural regulations promulgated by the cabinet.

Section 5. KRS 350.113 is amended to read as follows:

(1) When the planting of a permit area is completed, the operator shall file a planting report with the cabinet on a form to be prescribed and furnished by the cabinet, giving the following information:

(a) Identification of the operation;

(b) The type of planting or seeding, including mixtures and amounts;

(c) The date of planting or seeding;

(d) The area of land planted;

(e) [~~Such~~] Other relevant information as the cabinet may require.

(2) All planting reports shall be certified by the operator.

(3) Inspection and evaluation for vegetative cover shall be made as soon as it is possible to determine if a satisfactory stand has been established. In no instance shall this vegetative cover check be made until just prior to or after the completion of the first growing season. [~~If the cabinet determines that a satisfactory vegetative cover has been established, it shall then release the remaining bond held on the area reclaimed.~~]

Section 6. KRS 350.130 is amended to read as follows:

(1) When any of the requirements of this chapter or administrative regulations adopted pursuant thereto or the orders of the cabinet have not been complied with, the cabinet shall forthwith cause a notice of noncompliance to be issued upon the person or operator. The cabinet shall set forth in its notice a reasonable time period but not more than ninety (90) days for the abatement of the violation. If any person or operator has not abated the violation within the time prescribed in the notice of noncompliance, the secretary or other authorized personnel of the cabinet shall issue to said operator or person an order for immediate compliance and cessation of any mining activities or operations which are contributing to the violation. Such order shall require the person or operator to abate the violation in the most expeditious manner possible. The secretary is authorized to promulgate reasonable administrative regulations for the implementation of this section. Such notice or order shall be handed to the person in charge of the operation, and the operator or person engaged in coal exploration operations or sent by certified mail, return receipt requested, addressed to the permanent address shown on the application for a permit or if no address is shown on the application, then to the address known to the cabinet. The notice of noncompliance or order for immediate compliance and cessation shall specify in what respects the person or operator has failed to comply with this chapter or the regulations or orders of the cabinet and the remedial action required, the period of time established for abatement, and a reasonable description of the portion of the surface coal mining and reclamation operation to which the notice or order applies. If the person or operator has not reached an agreement with the cabinet or has not complied with the requirements set forth in the notice of noncompliance or order for immediate compliance and cessation within time limits set therein, the permit may be revoked or the operation terminated, after an opportunity for a hearing, by order of the cabinet and the performance bond, if any, shall then be forfeited to the cabinet, except as provided in subsection (2) of this section [~~and in KRS 350.110~~], provided that failure to attend a hearing shall be excused for good cause shown. Any bonding company or financial institution providing bond to the cabinet shall have the right to perform those measures necessary to secure bond releases if said bonding company or financial institution can demonstrate that it has the ability to perform said measures and will undertake to do so within a reasonable time frame. Neither the surety company nor the financial institution may employ anyone to perform said measures who has been barred from mining pursuant to the provisions of this chapter.

(2) When a bond is forfeited consistent with the provisions of this chapter, the cabinet shall forfeit the entire amount of the bond for the permit area or increment.

(3) An operator or person whose mining permit or operation has been revoked, suspended, or terminated or is at the time of the application in violation of this chapter or other applicable requirements as set forth in KRS 350.085 shall not be eligible to receive another permit or begin another operation or to have suspended permits or operations reinstated until he shall have complied with all the requirements of this chapter or submitted proof satisfactory to the cabinet under KRS 350.085 that such violation has been corrected or is in the process of being corrected in respect to all permits issued him, provided, further, that no operator or person shall be eligible to receive another permit or begin another operation who has forfeited any bond unless the land for which the bond was forfeited has been reclaimed without cost to the state or the operator

or person has paid such sum as the cabinet finds is adequate to reclaim such lands. The cabinet shall not issue any permits to or allow future operations by any operator or person who has demonstrated a pattern of willful violations of this chapter of such nature and duration with such resulting irreparable damage to the environment as to indicate an intent not to comply with the provisions of this chapter, provided that no permit shall be denied on this basis without an opportunity for a hearing. The secretary shall promulgate regulations which implement this section. For the purposes of this section, if a corporate permittee has demonstrated a pattern of willful violations, then any subsequent application for a permit by that corporation, or any person who controls or has controlled that corporation, shall be denied.

(4) In the exercise of the secretary's enforcement powers and authority under this chapter, the secretary, or an authorized representative of the cabinet, after inspection shall immediately order the cessation of such condition or operation when he determines that the condition or operation creates an imminent danger to the health or safety of the public or that the condition or operation is causing or can reasonably be expected to cause significant imminent environmental harm in violation of this chapter or the regulations pursuant to this chapter, or any permit condition. For purposes of this subsection, "imminent danger to the health and safety of the public" means the existence of any condition or practice, or any violation of a permit or other requirement of this chapter in a surface coal mining and reclamation operation, which condition, practice, or violation could reasonably be expected to cause substantial physical harm to persons outside the permit area before such condition, practice, or violation can be abated. A reasonable expectation of death or serious injury before abatement exists if a rational person, subjected to the same conditions or practices giving rise to the peril, would not expose himself or herself to the danger during the time necessary for abatement.

(5) Each provision of this section shall be interpreted and applied consistently with due process of law.

(6) The secretary, or authorized representatives of the cabinet, shall have the power to vacate, amend, modify, or terminate notices of noncompliance and cessation orders, pursuant to administrative regulations promulgated by the cabinet.

Section 7. KRS 350.139 is amended to read as follows:

(1) All prior enactments of this General Assembly to the contrary notwithstanding, all funds received by the Natural Resources and Environmental Protection Cabinet through the payment of fees and civil penalties shall be deposited in the state treasury to the credit of the general fund [~~effective July 1, 1972~~]. All funds from the forfeiture of bonds shall be placed in the state treasury and credited to a special agency account. As far as is practicable, this fund shall be expended upon the lands for which the bond was given. [~~All unexpended funds in the natural resources and environmental protection cabinet trust and agency accounts established by KRS 350.140 shall lapse to the general fund at the close of the 1971-72 fiscal year, provided however, that an amount not exceeding $400,000 may be transferred to a revolving fund to be used for interim financing of federal grant-in-aid projects.~~]

(2) The state Treasurer shall on or before August 1 of each year transfer thirty-three and one-third percent (33 1/3%) of all funds paid during the preceding fiscal year as fees for the issuance of any permit for surface coal mining operations to the fiscal courts of the county in which the permitted operation is located for the general purposes of that fiscal court.

Section 8. KRS 350.151 is amended to read as follows:

(1) The Natural Resources and Environmental Protection Cabinet shall promulgate permanent program administrative regulations for the mining and reclamation of land disturbed or removed by operations resulting from or incident to ***underground coal mining*** [~~a mine as defined in KRS 352.010(1)(t)~~]. ***The*** [~~Such~~] regulations shall recognize the distinct differences between [~~the surface effects of~~] underground mining and ***strip*** [~~surface coal~~] mining ***of coal,*** [~~and~~] shall be promulgated pursuant to this chapter, and shall be enforced as provided in KRS 350.130 and 350.990. Those activities may include, but not be limited to, the construction of new roads or the improvement or use of existing roads to gain access to the site of ***the*** [~~such~~] activities and all lands affected by haulage, excavations, workings, impoundments, dams, ventilation shafts, entryways, refuse banks, dumps, stockpiles, overburden piles, spoil banks, culm banks, tailings, holes or depressions, repair areas, storage areas, processing areas, shipping areas and other areas upon which are sited structures, facilities, or other property or materials on the surface, but ***the*** [~~said~~] regulations shall not be more stringent than those applied to ***strip*** [~~surface coal~~] mining ***of coal.***

(2) The operator shall file with the cabinet a reclamation bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000) conditioned upon the faithful performance of the requirements set forth in this section and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. The cabinet shall accept, in lieu of the surety provided herein, the deposit by the operator of United States government securities, cash, or its equivalent in a sum equal to the principal amount of the required bond, or a self-bond pursuant to administrative regulations promulgated by the cabinet.

(3) In order to protect the stability of the land, the cabinet shall suspend underground mining activities under urbanized areas, and adjacent to industrial or commercial buildings, major impoundments, or permanent streams, if the cabinet finds imminent danger to inhabitants of ***the*** [~~said~~] urbanized areas.

Section 9. KRS 350.710 is amended to read as follows:

The bond pool commission shall:

(1) Review, in accordance with the applicable administrative regulations of the cabinet, all applications for membership in the bond pool and assign a rating to each applicant for membership. The commission shall deny membership to any applicant who fails to satisfy the eligibility criteria set forth in KRS 350.720;

(2) Review all applications by bond pool members and recommendations by the bond pool administrator for revision of an assigned rating. ***The*** [~~Such~~] review shall include evaluation of the bond pool member's performance of reclamation requirements [~~as set forth~~] in this chapter and the administrative regulations promulgated pursuant thereto and consideration of the member's payment of fees and penalties assessed pursuant to KRS 350.725;

Any permittee of a surface coal mining operation located in Kentucky who meets the criteria set forth in this section and in administrative regulations promulgated by the cabinet shall be eligible to participate in the bond pool. Participation in the pool shall be voluntary.

(2) Except as provided in KRS 350.700 to 350.755, membership in the bond pool and compliance with the requirements of KRS 350.700 to 350.755 shall satisfy the requirement to post bond in accordance with KRS ***350.060(11)*** [~~350.060(14)~~].

(3) An application fee shall be charged not to exceed one hundred dollars ($100). The application fee may be applied to the membership fee set forth in KRS 350.725(1).

(4) Except as provided in subsection (5) of this section, every permit held by a member of the bond pool shall be included in the pool, except for portions of permits disturbed prior to the member's admission into the pool, to which the provisions of KRS 350.735(4) shall apply.

(6) The bond pool fund shall not assume any part of a member's responsibility for damage due to subsidence which occurs in connection with underground mining or auger mining.

(7) An applicant shall be eligible for membership in the bond pool only if the bond pool commission determines that the applicant is in good financial standing and fulfills the criteria of one (1) of the following ratings:

(a) An "A" rating shall be assigned to an applicant who:

1. For a period of at least five (5) of the seven (7) years immediately preceding the application for membership in the pool, has held, under the same permittee name or other permittee name as provided in paragraph (d) of this subsection, a permit issued by the cabinet to conduct surface coal mining operations in Kentucky; and

2. Has exhibited an excellent compliance record as defined by the administrative regulations of the cabinet;

(b) A "B" rating shall be assigned to any applicant who:

1. For a period of at least five (5) of the seven (7) years immediately preceding the application for membership in the pool, has held, under the same permittee name or other permittee name as provided in paragraph (d) of this subsection, a permit to conduct surface coal mining operations in Kentucky; and

2. Has exhibited an acceptable compliance record as defined by the administrative regulations of the cabinet;

(c) A "C" rating shall be assigned to any applicant who:

(8) Upon request of any member, not to exceed once per year, the commission may upgrade the member's rating. The commission may downgrade the rating of any member at any time upon the recommendation of the bond pool administrator. Any [~~such~~] revision shall be made in accordance with the criteria set forth in this section. When a member's rating is downgraded, the commission may increase the permit-specific bond already posted in accordance with KRS 350.735.

(9) The cabinet shall promulgate administrative regulations establishing methods and criteria for determining if an applicant is in good financial standing. The cabinet shall also promulgate [~~such~~] regulations for determining if an applicant has an excellent or acceptable compliance record, which may include, but shall not be limited to:

(a) Number and seriousness of violations for which the applicant has been cited;

(b) Whether the applicant has abated cited violations in a timely fashion;

(c) Whether the applicant has timely paid any penalties assessed against it;

(d) Whether a surety which posted bond to cover a permit area of the applicant has had to perform reclamation to avoid bond forfeiture; and

(e) Whether the applicant has received timely bond releases.

(10) For purposes of determining whether an applicant has an excellent or acceptable compliance record, the commission shall examine the compliance records of all persons who own or control, are owned or controlled by, or are under common ownership or control with the applicant. Where persons other than the applicant are considered under subsection (7)(d) of this section, each [~~such~~] person's compliance record shall be considered.

(11) An applicant's experience pursuant to a two (2) acre-or-less permit as defined in KRS ***350.060(12)*** [~~350.060(15)~~] shall not be considered in the ratings assignment except as provided in subsection (12) of this section.

(12) No application for membership in the bond pool shall be approved by the commission if it is determined that the applicant, or any person who owns or controls, is owned or controlled by, or is under common ownership or control with the applicant, is not eligible for a permit under the provisions of KRS 350.085, 350.093, or 350.130.

(13) Memberships granted by the commission and ratings assigned by the commission shall not be transferrable from one (1) permittee to another.

(14) A person need not be a member of the bond pool in order to be provided coverage under the abandoned mine land enhancement program pursuant to KRS 350.595.

Section 11: KRS 350.735 is amended to read as follows:

(1) In addition to the membership fee and tonnage fee paid pursuant to KRS 350.725, bond pool members shall submit, for each permit to be covered by the bond pool, a permit-specific penal bond computed at the following rates for each acre or fraction thereof included in the proposed permit area:

(a) Five hundred dollars ($500) for "A" rated members;

(b) One thousand five hundred dollars ($1,500) for "B" rated members; and

(c) Two thousand dollars ($2,000) for "C" rated members.

(2) The permit-specific bond shall be increased by one thousand five hundred dollars ($1,500) for each acre of prime farmland to be covered by the bond pool.

(3) The permit-specific bond posted pursuant to this section shall be released in its entirety in accordance with cabinet procedures for bond release upon successful completion of that portion of reclamation set forth in KRS 350.093(4)(a) and administrative regulations promulgated pursuant thereto.

(4) If, at the time of application to the bond pool, a permittee holds one (1) or more permits which have already been disturbed, ***the*** [~~such~~] permits shall be transitioned into the bond pool in accordance with cabinet regulations. The area disturbed prior to admission to the bond pool shall not be covered by the pool, but shall be bonded in accordance with KRS ***350.060(11)*** [~~350.060(14)~~]. The undisturbed area shall be bonded in accordance with KRS 350.700 to 350.755. The cabinet may recognize exceptions when appropriate and necessary.

Section 12. KRS 350.740 is amended to read as follows:

(1) If an applicant for a permit chooses to post bond in accordance with KRS 350.700 to 350.755 as an alternative to KRS ***350.060(11)*** [~~350.060(14)~~], the permit shall not be issued until the applicant has been accepted as a member of the bond pool, has paid the applicable membership fee, and has submitted a permit-specific bond to cover the area which is the subject of the application.

(2) The cabinet shall not approve a permit transfer pursuant to KRS 350.135 until the transferee has either become a member of the bond pool based upon the transferee's own qualifications or submitted adequate bond in accordance with KRS ***350.060(11)*** [~~350.060(14)~~].

(3) Membership in the bond pool shall not relieve the member of the obligation to comply with requirements of this chapter and regulations promulgated pursuant thereto, except those provisions relating to the method of posting bond.

Section 13. KRS 350.990 is amended to read as follows:

(1) Any person or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided herein, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for ***the*** [~~said~~] violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which ***the*** [~~such~~] violation continues, and in addition, may be enjoined from continuing ***the*** [~~such~~] violations [~~as hereinafter~~] provided in this section; ***except*** [~~provided, however,~~] that any operator or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for ***the*** [~~such~~] abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which ***the*** [~~such~~] violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The

secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of ***the*** [~~such~~] method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. ***The*** [~~Such~~] penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's office of general counsel, or upon the secretary's request, by the attorney general. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet or by the attorney general on its behalf for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the state treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person who engages in ***other*** mining operations, without proper authorization as required by ***this chapter*** [~~the cabinet pursuant to KRS 350.029~~] or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing ***the*** [~~such~~] violations [~~as hereinafter provided~~]. Each day shall constitute a separate violation. However, the penalties provided [~~for~~] in subsection (1) of this section shall apply in lieu of the penalties provided [~~for~~] in this subsection where an operator through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) It shall be the duty of the cabinet's office of general counsel or, upon the secretary's request, of the attorney general to bring an action for the recovery of [~~the~~] penalties [~~herein provided for~~] and to bring an action for a restraining order, temporary or permanent injunction, against any operator or [~~other~~] person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet or by the attorney general on its behalf for the enforcement of the provisions of this chapter or the orders, and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any person who shall knowingly and willfully violate any of the provisions of this chapter, except as provided in subsection (5) of this section or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) or by imprisonment for not more than one (1) year, or both. Each day on which ***the*** [~~such~~] violation occurs may constitute a separate offense.

(5) Any person who, in violation of KRS 350.060, willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to KRS 350.057 or administrative regulations promulgated pursuant thereto, or any person who willfully and knowingly engages in ***other*** mining operations without proper authorization as required by ***this chapter*** [~~the cabinet pursuant to KRS 350.029~~] or administrative regulations promulgated pursuant thereto, with the intent to violate such laws, shall be guilty of a Class D felony and upon conviction [~~thereof~~] shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any person who knowingly makes any false statement, representation or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a misdemeanor and shall be imprisoned for a term of up to one (1) year, or be fined not more than ten thousand dollars ($10,000), or both.

(8) Except as permitted by law, any person who shall willfully resist, prevent, impede, or interfere with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall, upon conviction, be fined not more than five thousand dollars ($5,000) or imprisoned for not more than one (1) year, or both.

(9) ***When*** [~~Whenever~~] a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of such corporation who willfully and knowingly authorized, ordered, or carried out ***the*** [~~such~~] violation, failure or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) [~~Any person found in violation of KRS 350.060(11) shall be fined not more than five hundred dollars ($500) for each violation, nor less than fifty dollars ($50).~~

~~(11)~~] Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky department of insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

***(11)***[~~(12)~~] The cabinet, upon written request by any person or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet division of abandoned lands shall have the authority to approve proposed in-kind projects and to recommend such projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person or operator for the full amount of the assessed penalty. The cabinet ***may*** [~~is authorized to~~] prepare and promulgate ***the*** [~~such~~] administrative regulations as are necessary to implement and administer the provisions of this subsection.

Section 14. KRS 350.110 Partial release of bond when planting deferred, is repealed.

authorize the operator to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period not to exceed five (5) years. ***However,*** [~~; provided that~~] if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for ***the*** [~~such~~] specified longer term, the cabinet may grant a permit for ***the*** [~~such~~] longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.

***(b) Subject to the provisions of KRS 350.010(1) and (2), no person shall knowingly and willfully receive, transport, sell, convey, transfer, trade, exchange, donate, purchase, deliver or in any way derive benefit from coal removed from any surface mining operation which does not have a permit as required under this section.***

(2) No permit or revision application shall be approved unless the application affirmatively demonstrates and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.

(3) An operator desiring a permit to engage in surface coal mining operations shall file an application which shall state:

(a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;

(b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;

(c) The owner or owners of the coal to be mined;

(d) The source of the applicant's legal right to mine the coal on the land affected by the permit;

(e) The permanent and temporary post office addresses of the applicant, which shall be updated immediately if changed at any point prior to final bond release;

(f) Whether the applicant or any person, partnership or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of ***the*** [~~such~~] permits;

(g) The names and addresses of every officer, partner, director, or person performing a function similar to a director of the applicant, together with the names and addresses of any individual owning of record ten percent (10%) or more of any class of voting stock of the applicant, and whether the applicant or any such person is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify. The permittee shall submit updates of this information as changes occur or as otherwise provided by administrative regulation; however, failure to submit [~~such~~] updated information shall constitute a violation of this chapter only upon the permittee's refusal or failure to timely submit ***the*** [~~such~~] information to the cabinet upon request. Upon receipt of [~~such~~] updated information satisfactory to the cabinet, the cabinet shall promptly update its computer system containing ***the*** [~~such~~] information;

(h) A listing of any [~~and all~~] violations of this chapter, Public Law 95-87, and any law, rule or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three (3) year period prior to the date of an application. ***The*** [~~Such a~~] list shall indicate the final resolution of the violations; and

(i) Whether the area of land to be affected by the operation has been previously mined and is not in compliance with current reclamation standards, if so then identify the needed reclamation work.

(4) The application for a permit shall be accompanied by an official document***,*** [~~(~~]and an affidavit attesting to the document's authenticity***,***[~~)~~] which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, [~~then~~] an affidavit so stating.

(5) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States geological survey topographic map or [~~such~~] other map acceptable to the cabinet on which the operator has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which ***the*** [~~such~~] drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.

(6) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States geological survey topographic map or [~~such~~] other map acceptable to the cabinet meeting the requirements of paragraphs (a) to (i) of this subsection. The map shall:

(a) Be prepared and certified by a professional engineer registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (10) of this section, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;

(b) Identify the area to correspond with the application;

(c) Show adjacent deep mining;

(d) Show the boundaries of surface properties and names of owners of the affected area and adjacent to any part of the affected area;

(e) Be of a scale of 1:24,000 or larger;

(f) Show the names and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of ***the*** [~~such~~] area;

(g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;

(h) Show the date on which the map was prepared, the north point and the quadrangle name; and

(i) Show the drainage plan on and away from the area of land affected. ***The*** [~~Such~~] plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(7) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability.[~~; provided, however, that~~] This determination shall not be required until such time as hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. [~~Provided further, that~~] The permit shall not be approved until ***the*** [~~such~~] information is available and is incorporated into the application.

(8) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.

(9) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation, the manner, time and distance for backfilling, grading work and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and administrative regulations adopted pursuant thereto.

(10) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by administrative regulations of the cabinet. ***The*** [~~Such~~] coverage shall be maintained in full force and effect during the terms of the permit and any ***permit*** renewal [~~thereof~~], and until reclamation operations are completed.

(11) A basic fee set by administrative regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars ($375), plus a fee set by administrative regulation but not to exceed seventy-five dollars ($75), for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required herein shall be issued; provided that if the cabinet approves an incremental bonding plan submitted by the applicant, the acreage fees may be paid in increments and at times corresponding to the approved plan. The operator shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the administrative regulations of the cabinet. The cabinet shall forfeit the entire amount of the bond for the permit area or increment in the event of forfeiture. In determining the amount of the bond, the cabinet shall take into consideration the character and nature of the overburden, the future suitable use of the land involved, the cost of backfilling, grading and reclamation to be required, and the probable difficulty of reclamation, giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate administrative regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of [~~such~~] bonds.

(12) Surface coal mining and reclamation operations which affected two (2) acres or less, as defined by administrative regulations of the cabinet, which were conducted pursuant to two-acre-or-less permits issued by the cabinet, which were commenced on or before June 5, 1987, and on which mining ceased on or before November 7, 1987, shall be exempt from the requirements of this chapter, except as follows. Reclamation of such operations shall be accomplished in accordance with administrative regulations promulgated by the cabinet for operations of two (2) acres or less. [~~In no event shall~~] The cabinet ***shall not*** require that the highwalls left by ***the*** [~~such~~] operations be eliminated. Bond shall be maintained until reclamation is successfully completed. All procedural provisions and the penalty provisions of KRS 350.990 shall[~~, however,~~] apply to operations conducted pursuant to this subsection. The cabinet shall enforce this subsection consistent with this chapter, except that the cabinet shall not issue orders requiring cessation of operations for mere failure to abate a violation.

(13) The cabinet shall promulgate administrative regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the cabinet shall require that all the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (14) of this section or of KRS 350.151.

(14) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. The holders of the permit may apply for renewal and ***the*** [~~such~~] renewal shall be issued, provided that on application for renewal the burden shall be on the opponents of renewal, subsequent to the fulfillment of the public notice requirements of this chapter, unless it is established and written findings by the cabinet are made that:

(a) The terms and conditions of the existing permit are not being satisfactorily met;

(b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;

(c) The renewal requested substantially jeopardizes the operator's continuing responsibility on existing permit areas;

(d) The operator has not provided evidence that the performance bond in effect for ***the*** [~~said~~] operation will continue in full force and effect for any renewal requested in ***the*** [~~such~~] application as well as any additional bond the cabinet might require; or

(e) Any additional revised or updated information required by the cabinet has not been provided.

Prior to the approval of any renewal of permit, the cabinet shall provide notice to the appropriate public authorities.

(15) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.

(16) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred twenty (120) days prior to the expiration of the valid permit.

(17) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by ***the*** [~~such~~] permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that ***the*** [~~such~~] extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at such time as the construction of the synthetic fuel or generating facility is initiated.

(18) Each application for a permit or revision for auger mining on a previously mined area must contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit

or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of this chapter, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

(19) All operations involving the loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

Section 5. KRS 350.990 is amended to read as follows:

(1) Any person or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided herein, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for ***the*** [~~said~~] violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which ***the*** [~~such~~] violation continues, and in addition, may be enjoined from continuing ***the*** [~~such~~] violations as [~~hereinafter~~] provided in this section; provided, however, that any operator or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for ***the*** [~~such~~] abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which ***the*** [~~such~~] violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The cabinet shall develop a method for calculating monetary penalties and shall promulgate it as an administrative regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the cabinet mails its proposed penalty assessment, may waive the use of ***the*** [~~such~~] method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust..The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. ***The*** [~~Such~~] penalties shall be recoverable in an action brought in the name of the Commonwealth of Kentucky by the cabinet's ***Department of Law*** [~~office of general counsel, or upon the secretary's request, by the attorney general~~]. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet [~~or by the attorney general on its behalf~~] for the enforcement of the provisions of this chapter or the orders and administrative regulations of the cabinet promulgated pursuant thereto. All sums recovered shall be placed in the state treasury, except those moneys collected in excess of eight hundred thousand dollars ($800,000) in any fiscal year shall be deposited in the bond pool fund for purposes set forth in KRS 350.595 and 350.700 to 350.755. All moneys previously deposited in the abandoned mine land enhancement fund shall be redeposited in the bond pool fund.

(2) Any person who engages in surface coal mining operations without first securing a permit, as provided in ***Section 4 of this Act*** [~~KRS 350.060~~], or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to ***Section 3 of this Act*** [~~KRS 350.057~~] or administrative regulations promulgated pursuant thereto, or any person who engages in mining operations, without proper authorization as required by the cabinet pursuant to KRS 350.029 or administrative regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing ***the*** [~~such~~] violations [~~as hereinafter provided~~]. Each day shall constitute a separate violation. However, the penalties provided for in subsection (1) of this section shall apply in lieu of the penalties provided for in this subsection where an operator through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) [~~It shall be the duty of~~] The cabinet's ***Department of Law shall*** [~~office of general counsel or, upon the secretary's request, of the attorney general to~~] bring an action for the recovery of the penalties [~~herein~~] provided [~~for~~] and [~~to~~] bring an action for a restraining order, temporary or permanent injunction, against any operator or other person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the cabinet [~~or by the attorney general on its behalf~~] for the enforcement of the provisions of this chapter or the orders, and administrative regulations of the cabinet promulgated pursuant thereto.

(4) Any person who [~~shall~~] knowingly and willfully ***violates*** [~~violate~~] any of the provisions of this chapter, except as provided in subsection (5) of this section or any determination or order promulgated pursuant to the sections of this chapter which have become final, shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) or by imprisonment for not more than one (1) year, or both. Each day on which ***the*** [~~such~~] violation occurs may constitute a separate offense.

(5) ***(a)*** Any person who, in violation of ***subsection (1)(a) of Section 4 of this Act*** [~~KRS 350.060,~~] willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the cabinet, or any person who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the cabinet pursuant to ***Section 3 of this Act*** [~~KRS 350.057~~] or administrative regulations promulgated pursuant thereto, or any person who willfully and knowingly engages in mining operations without proper authorization as required by the cabinet pursuant to KRS 350.029 or administrative regulations promulgated pursuant thereto, with the intent to violate such laws, shall be guilty of a Class D felony and upon conviction thereof shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

***(b) Any person who in violation of subsection (1)(b) of Section 4 of this Act willfully and knowingly receives, transports, sells, conveys, transfers, trades, exchanges, donates, purchases, delivers or in any way derives benefit from coal removed from any surface mining operations conducted in violation of subsection (1)(a) of Section 4 or Section 3 of this Act shall be guilty of a Class D felony and upon conviction thereof shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).***

(6) Any person who violates any of the provisions of KRS 350.600 or administrative regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any person who knowingly makes any false statement, representation or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the cabinet, shall upon conviction be guilty of a misdemeanor and shall be imprisoned for a term of up to one (1) year, or be fined not more than ten thousand dollars ($10,000), or both.

(8) Except as permitted by law, any person who ***willfully and knowingly resists, prevents, impedes or interferes*** [~~shall willfully resist, prevent, impede, or interfere~~] with the secretary or other personnel of the cabinet in the performance of duties pursuant to this chapter shall, upon conviction, be fined not more than five thousand dollars ($5,000) or imprisoned for not more than one (1) year, or both.

(9) ***When*** [~~Whenever~~] a corporate permittee violates any provision of this chapter or administrative regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of ***the*** [~~such~~] corporation who willfully and knowingly authorized, ordered, or carried out ***the*** [~~such~~] violation, failure or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) [~~Any person found in violation of KRS 350.060(11) shall be fined not more than five hundred dollars ($500) for each violation, nor less than fifty dollars ($50).~~

~~(11)~~] Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky Department of Insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

***(11)***[~~(12)~~] The cabinet, upon written request by any person or operator subject to any penalty assessment under this section and pursuant to procedures, if any, set forth by administrative regulation and after consultation with the local county fiscal court, may allow as an alternative to the payment of any assessed penalty under this section the performance of in-kind reclamation, environmental rehabilitation, or similar action to correct environmental pollution. The in-kind work shall not substitute for those remedial measures mandated by the cabinet for the correction of any violations. The estimated cost of the in-kind work shall be greater than the penalty assessment. The cabinet division of abandoned lands shall have the authority to approve proposed in-kind projects and to recommend [~~such~~] projects to the cabinet, and shall determine whether the estimated cost of the in-kind work exceeds the penalty assessment. For the purposes of this subsection, the cost of the in-kind work shall include only those expenditures for actual on-site reclamation or rehabilitation work, including direct equipment, personnel and material cost, but excluding administrative overhead or transportation costs. Failure to perform the in-kind work as agreed upon by the person or operator subject to the penalty assessment shall reinstate the liability of the person or operator for the full amount of the assessed penalty. The cabinet is authorized to prepare and promulgate [~~such~~] administrative regulations as are necessary to implement and administer the provisions of this subsection.

**SB 255,** AN ACT relating to coal mining regulation.

*Be it enacted by the General Assembly of the Commonwealth of Kentucky:*

Section 1. KRS 350.093 is amended to read as follows:

(1) As determined by administrative regulations of the cabinet, time and distance limits shall be established requiring backfilling, grading and planting to be kept current, such that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable under regulations promulgated by the cabinet. All backfilling and grading shall be completed before necessary equipment is moved from the operation.[~~; provided, however, that~~] The cabinet may for good cause approve the moving of equipment before all backfilling and grading is completed.

(2) (a) The cabinet may allow an operator to defer the time criteria of contemporaneous reclamation requirements on specified areas if the operator can demonstrate that said deferment is necessary to address at least one (1) of the following:

1. Adverse condition including weather, labor and other conditions clearly beyond the operator's control;

2. Other bona fide mining operations carried out on a strip mined area, pursuant to KRS 350.080;

3. Coal marketing problems.

(b) Application for a deferment pursuant to this section shall be in the form prescribed by the cabinet. The applicant ***shall have*** [~~has~~] the burden in establishing the need for [~~such~~] deferment. The applicant ***shall*** [~~must~~] demonstrate that reclamation on the site is contemporaneous as of the date of the request for deferment and that distance requirements for contemporaneous reclamation will be met during the period of the deferment. Approval of the deferment request shall be made in writing. The approval shall state that the deferment is justified and that no environmental damage will occur during the period of deferment. Reclamation deferments may be approved for a period reasonably related to the specified conditions justifying the deferment, but [~~in no event shall~~] the aggregate deferral period ***shall not*** exceed thirty (30) months, ***and*** [~~nor shall~~] the deferral ***shall not*** extend beyond the expiration date of the permit. The cabinet shall periodically reexamine and update the amount of the bond on the permit area so that the amount of the bond is sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture.

(3) If the operator or other person desires to conduct drift mining or other underground mining upon the premises or use the openings for haulageways or other lawful purposes, the operator may designate locations to be used for such purposes. At ***these*** [~~which~~] places it ***shall*** [~~will~~] not be necessary to backfill as herein provided for until ***the*** [~~such~~] drift or other underground mining or other use is completed, during which time the bond on file for that portion of the operation shall not be released. That portion of ***the*** [~~such~~] locations shall be described and designated on the map attached thereto. ***If***[~~; provided, that where~~] the operator or other person wishes to combine surface operations with underground mining operations to assure maximum practical recovery of coal resources, the cabinet may grant a variance, pursuant to regulations promulgated by the cabinet, for specific areas within the reclamation plan from the requirement that reclamation efforts proceed pursuant to subsection (1) of this section so as to permit underground mining operations prior to reclamation.

(4) The cabinet may release in whole or in part the reclamation bond or deposit for a particular operation if the cabinet is satisfied that the reclamation covered by the bond or deposit or portion thereof has been accomplished as required by this chapter. ***The*** [~~Such~~] bond releases shall be made in accordance with the following schedule:

The cabinet shall immediately notify each ***institution*** [~~association~~] of the value so fixed.

Section 2. KRS 136.300 is amended to read as follows:

The individual shareholders shall not be required to list their shares for taxation for any purpose. ***Any financial institution included in subsection (1) of KRS 136.290*** [~~The association or bank for cooperatives~~] shall not be required to pay local taxes upon its capital stock, surplus, undivided profits, notes, mortgages or other credits, and the tax provided by this section shall be in lieu of all taxes for state purposes on ***intangible*** property of the ***institution*** [~~association or bank for cooperatives~~]. Failure to make reports and pay taxes as provided in this section and in KRS 136.290 shall subject the ***institution*** [~~association or bank for cooperatives~~] to the same penalties imposed for such failure on the part of the other corporations.

(2) If a ***financial institution included in subsection (1) of KRS 136.290*** [~~domestic savings and loan association, bank for cooperatives, or production credit association~~] so elects, it may deduct the taxes imposed in subsection (1) of this section from the dividends paid or credited to a nonborrowing shareholder.

(1) Every ***federally or state chartered savings and loan association, savings bank, and other similar institution authorized to transact business in this state, with property and payroll within and without this state, shall, during January of each year, file with the Revenue Cabinet a report containing information and in such form as the cabinet may require.***

***(2) The Revenue Cabinet shall fix the fair cash value, as of January 1 of each year, of the capital attributable to Kentucky in each financial institution included in subsection (1) of this section. The methodology employed by the cabinet shall be a three-step process as follows:***

***(a) The total value of deposits maintained in Kentucky less any amounts where the amount borrowed equals or exceeds the amount paid in by those members.***

The denominator is the average balance of all outstanding loans. The average outstanding loan balance is determined by adding the outstanding loan balance at the beginning of the preceding calendar year to the outstanding loan balance at the end of the preceding calendar year and dividing by two (2). However, if the yearly beginning balance and ending balance results in an inequitable factor, the average outstanding loan balance may be computed on a monthly average balance.***

The Committee Amendment No. 1 to **HB 580** is as follows:

Amend printed copy of **HB 580** on page 6, after line 19 by adding:

"Section 4. KRS 136.270 is amended to read as follows:

(1) For calendar year 1984 and each year thereafter an annual tax of ninety-five cents (95) is hereby imposed on each one hundred dollars ($100) of the taxable fair cash value of shares, ***except shares of bankers banks organized under KRS 287.135,*** as determined in accordance with subsection (4) of this section. The tax shall be paid to the sheriff of the county annually by the banks and trust companies, for and on behalf of the owners of the shares of stock. The tax shall be for state purposes only, and in lieu of all other taxes upon such shares by the state, or any county, city or other taxing district, except as provided in subsections (2) and (3) of this section.

(2) The county in which the bank or trust company is located may impose a tax on each one hundred dollars ($100) of the taxable fair cash value of shares of such bank or trust company, ***except shares of bankers banks organized under KRS 287.135,*** at a rate not to exceed a rate to be determined by multiplying nineteen cents (19) by a fraction, the numerator of which is the fair cash value of shares of all banks or trust companies within the county and the denominator of which is the taxable fair cash value of shares of all banks or trust companies within the county.

(3) The city in which the bank or trust company is located may impose a tax on each one hundred dollars ($100) of the taxable fair cash value of the shares of such bank or trust company, ***except shares of bankers banks organized under KRS 287.135,*** at a rate not to exceed a rate to be determined by multiplying nineteen cents (19) by a fraction, the numerator of which is the fair cash value of shares of all banks or trust companies within the city and the denominator of which is the taxable fair cash value of shares of all banks or trust companies within the city.

(b) The net income (after federal income taxes and before dividends) of the bank or trust company for the past five (5) years, or so many years in which there was net income (not to exceed five (5)) as are available, preceding the assessment date, shall be averaged and capitalized at a rate determined by the revenue cabinet.

(c) On or before September 1 of each year, the revenue cabinet shall provide to the banking industry the capitalization rate developed from the previous year's annual reports of banks and trust companies submitted to the cabinet. The rate shall be determined as follows:

1. Determine the ratio of each bank's five (5) year average net income to the previous year's net worth;

2. Rank the resulting ratios; and

The influence of tax exempt United States obligations is to be determined from the reports of condition and income filed with the applicable supervisory agency as follows: the average amount of tax exempt United States obligations for the calendar year, over the average amount of total assets for the calendar year multiplied by the fair cash value.

(5) In any extraordinary case where application of the formula provided by subsection (4) of this section will result in an inequitable or erroneous assessment, either with respect to the bank or the Commonwealth, the fair cash value and taxable fair cash value of shares shall be determined in accordance with other recognized criteria.

Section 5. KRS 136.280 is amended to read as follows:

*(a)*[~~(1)~~] Any ground on which he may apply for an order of liquidation under KRS 304.33-190, whenever he believes that the insurer may be successfully rehabilitated without substantial increase in the risk of loss to creditors of the insurer or to the public.

*(b)*[~~(2)~~] That the commissioner has reasonable cause to believe that there has been embezzlement from the insurer, wrongful sequestration or diversion of the insurer's assets, forgery or fraud affecting the insurer or other illegal conduct in, by or with respect to the insurer, that if established would endanger assets in an amount threatening the solvency of the insurer.

*(c)*[~~(3)~~] That any one of the following circumstances has occurred and the commissioner has reasonable cause to believe that the insurer is insolvent or that assets are endangered in an amount threatening the solvency of the insurer:

*1.*[~~(a)~~] That information coming into the commissioner's possession has disclosed substantial and not adequately explained discrepancies between the insurer's records and the most recent annual report or other official company reports;

*(f)*[~~(6)~~] That the insurer is in such condition that the further transaction of business would be hazardous, financially or otherwise, to its policyholders, its creditors or the public.

*(g)*[~~(7)~~] That within the previous twelve (12) months the insurer has systematically attempted to compromise with its creditors on the ground that it is financially unable to pay its claims in full.

*(h)*[~~(8)~~] That without first obtaining the written consent of the commissioner, the insurer has transferred, or attempted to transfer, substantially its entire property or business, or has entered into any transaction the effect of which is to merge, consolidate or re-insure substantially its entire property or business in or with the property or business of any other person.

*(i)*[~~(9)~~] That the insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator or sequestrator or similar fiduciary of the insurer or its property otherwise than as authorized under this subtitle, and that such appointment has been made or is imminent, and that such appointment might oust the courts of this state of jurisdiction or prejudice orderly delinquency proceedings under this subtitle.

*(k)*[~~(11)~~] That the directors of the insurer are deadlocked in the management of the insurer's affairs and that the members or shareholders are unable to break the deadlock and that irreparable injury to the insurer, its creditors or its policyholders is threatened by reason thereof.

***(l)***[~~(12)~~] That the insurer has failed to file its annual report or other report within the time allowed by law, and after written demand by the commissioner has failed to give an adequate explanation immediately.

~~(2) If the coverage continued under this section is replaced by insurance that is not equivalent, the coverage continued under this section shall be excess coverage over the replacement policy to the extent of the deficiency. ***(10)***[~~(9)~~] Acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with any property of the insurer at its market value or upon such terms and conditions as are fair and reasonable, except that no transaction involving property the market value of which exceeds ten thousand dollars ($10,000) shall be concluded without express permission of the court. He also may execute, acknowledge and deliver any deeds, assignments, releases and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation. In cases where real property sold by the liquidator is located other than in the county where the liquidation is pending, the liquidator shall cause to be filed with the county clerk for the county in which the property is located a certified copy of the order appointing him.

***(18)***[~~(17)~~] Assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds and the defense of usury. A waiver of any defense by the insurer after a petition for liquidation has been filed shall not bind the liquidator.

***(19)***[~~(18)~~] Exercise and enforce all the rights, remedies and powers of any creditor, shareholder, policyholder or member, including any power to avoid any transfer or lien that may be given by law and that is not included within KRS 304.33-290 to 304.33-310, inclusive.

Section 17. KRS 304.33-250 is amended to read as follows:

(1) (a) Notice required; General requirements. The liquidator may specify different dates for the filing of different kinds of claims.

(3) Notice conclusive. If notice is given in accordance with this section, ***all persons to whom this notice is directed shall be bound by the terms and provisions of the liquidation order and all further orders and notices similarly served on them, and*** the distribution of the assets of the insurer under this subtitle shall be conclusive with respect to all claimants, whether or not they received notice.

Section 18. KRS 304.33-260 is amended to read as follows:

(1) Written notice. Every person who receives notice in the form prescribed in KRS 304.33-250 that an insurer ***for which he has acted as*** [~~which he represents as an independent~~] agent is the subject of a liquidation order shall as soon as practicable give notice of the liquidation order. The notice shall be sent by first-class mail to the last address contained in the agent's records to each policyholder or other person named in any policy issued through the agent by the company, if he has a record of the address of the policyholder or other person. A policy shall be deemed issued through an agent if the agent has a property interest in the expiration of the policy; or if the agent has had in his possession a copy of the declarations of the policy at any time during the life of the policy, except where the ownership of the expiration of the policy has been transferred to another. The written notice shall include the name and address of the insurer, the name and address of the agent, identification of the policy impaired and the nature of the impairment under KRS 304.33-210. Notice by a general agent ***shall satisfy*** [~~satisfies~~] the notice requirement for any agents under contract to him.

(2) Oral notice. So far as practicable, every insurance agent subject to subsection (1) of this section shall give immediate oral notice, by telephone or otherwise, of the liquidation order to the same persons to whom he is obligated to give written notice. The oral notice shall include substantially the same information as the written notice.

***(3) The liquidator may waive the duties imposed by this section if he determines that other notice to the policyholders of the insurer under liquidation is adequate.***

***(4) Transfer of assets. Every agent subject to subsection (1) of this section shall, immediately upon receiving notice pursuant to KRS 304.33-250, and not later than thirty (30) days thereafter, except as otherwise expressly provided under KRS 304.33-240(6), transfer all assets of the insurer in possession of the agent as of the date of liquidation or any time thereafter to the liquidator. If there is any dispute as to whether assets which an agent is holding are assets of the insurer, the agent shall petition the court for an order determining the ownership thereof.***

Section 19. KRS 304.33-270 is amended to read as follows:

(1) Termination of actions against insurer by order appointing liquidator. Upon issuance of any order appointing the commissioner liquidator of a domestic insurer or of an alien insurer domiciled in this state, ***no actions may be instituted against the insurer or the liquidator without approval of the court and*** all actions and all proceedings against the insurer whether in this state or elsewhere shall be abated and the liquidator shall not intervene in them, except as provided in this subsection. Whenever in the liquidator's judgment an action in this state has proceeded to a point where fairness or convenience would be served by its continuation to judgment, he may apply to the court for leave to defend or to be substituted for the insurer, and if the court gives him leave, the action shall not be abated. Whenever in the liquidator's judgment, protection of the estate of the insurer necessitates intervention in an action against the insurer that is pending outside this state, with approval of the court he may intervene in the action. The liquidator may defend any action in which he intervenes under this section at the expense of the estate of the insurer.

(2) Statute of limitations on claims by insurer. The liquidator may, within two (2) years subsequent to the entry of an order for liquidation or within such further time as applicable law permits, institute an action or proceeding on behalf of the estate of the insurer upon any cause of action against which the period of limitation fixed by applicable law has not expired at the time of the filing of the petition upon which such order is entered. Where, by any agreement, a period of limitation is fixed for instituting a suit or proceeding upon any claim or for filing any claim, proof of claim, proof of loss, demand, notice or the like, or where in any proceeding, judicial or otherwise, a period of limitation is fixed, either in the proceeding or by applicable law, for taking any action, filing any claim or pleading or doing any act, and where in any such case the period had not expired at the date of the filing of the petition, the liquidator may, for the benefit of the estate, take any such action or do any such act, required of or permitted to the insurer, within a period

of sixty (60) days subsequent to the entry of an order for liquidation, or within such further period as is permitted by the agreement, or in the proceeding or by applicable law, or within such further period as is shown to the satisfaction of the court not to be unfairly prejudicial to the other party.

(3) Statutes of limitations on claims against insurer. The time between the filing of a petition for liquidation against an insurer and the denial of the petition shall not be considered to be a part of the time within which any action may be commenced against the insurer. Any action against the insurer that might have been commenced when the petition was filed may be commenced for at least sixty (60) days after the petition is denied.

Section 20. KRS 304.33-290 is amended to read as follows:

(1) Definition and effect. Every transfer made or suffered and every obligation incurred by an insurer within one (1) year prior to the filing of a successful petition for rehabilitation or liquidation under this subtitle ***shall be*** [~~is~~] fraudulent as to then existing and future creditors if made or incurred without fair consideration, or with actual intent to hinder, delay or defraud either existing or future creditors. A transfer made or an obligation incurred by an insurer ordered to be rehabilitated or liquidated under this subtitle, which is fraudulent under this section, may be avoided by the receiver, except as to a person who in good faith is a purchaser, lienor or obligee for a present fair equivalent value; and except that any purchaser, lienor or obligee, who in good faith has given a consideration less than fair for such transfer, lien or obligation, may retain the property, lien or obligation as security for repayment. The court may, on due notice, order any such transfer or obligation to be preserved for the benefit of the estate, and in that event the receiver shall succeed to and may enforce the rights of the purchaser, lienor or obligee.

(2) Perfection of transfers. (a) Personal property. A transfer of property other than real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent lien obtainable by legal or equitable proceedings on a simple contract could become superior to the rights of the transferee under subsection (3) of KRS 304.33-310.

(b) Real property. A transfer of real property shall be deemed to be made or suffered when it becomes so far perfected that no subsequent bona fide purchaser from the insurer could obtain rights superior to the rights of the transferee.

(c) Equitable liens. A transfer which creates an equitable lien shall not be deemed to be perfected if there are available means by which a legal lien could be created.

(d) Transfer not perfected prior to petition. Any transfer not perfected prior to the filing of a petition for liquidation shall be deemed to be made immediately before the filing of the successful petition.

(e) Actual creditors unnecessary. This subsection ***shall apply*** [~~applies~~] whether or not there are or were creditors who might have obtained any liens or persons who might have become bona fide purchasers.

(3) Fraudulent re-insurance transactions. Any transaction of the insurer with a re-insurer shall be deemed fraudulent and may be avoided by the receiver under subsection (1) of this section if:

(a) The transaction consists of the termination, adjustment or settlement of a re-insurance contract in which the re-insurer is released from any part of its duty to pay the originally specified share of losses that had occurred prior to the time of the transaction, unless the re-insurer gives a present fair equivalent value for the release; and

(b) Any part of the transaction took place within one (1) year prior to the date of filing of the petition through which the receivership was commenced.

***(4) Every person receiving any property from the insurer or any benefit thereof which is a fraudulent transfer under this section shall be personally liable therefor and shall be bound to account to the liquidator.***

Section 21. KRS 304.33-300 is amended to read as follows:

(1) Effect of petition: real property. After a petition for rehabilitation or liquidation, a transfer of any of the real property of the insurer made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred. The recording of a copy of the petition for or order of rehabilitation or liquidation with the county clerk in the county where any real property in question is located ***shall be*** [~~is~~] constructive notice of the commencement of a proceeding in rehabilitation or liquidation. The exercise by a court of the United States or any state of jurisdiction to authorize or effect a judicial sale of real property of the insurer within any county in any state shall not be impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale.

(2) Effect of petition: personal property. After a petition for rehabilitation or liquidation and before either the receiver takes possession of the property of the insurer or an order of rehabilitation or liquidation is granted:

(a) A transfer of any of the property of the insurer, other than real property, made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred.

(b) A person indebted to the insurer or holding property of the insurer may, if acting in good faith, pay the indebtedness or deliver the property or any part thereof to the insurer or upon his order, with the same effect as if the petition were not pending.

(c) A person having actual knowledge of the pending rehabilitation or liquidation shall be deemed not to act in good faith unless he has reasonable cause to believe that the petition is not well founded.

(d) A person asserting the validity of a transfer under this section shall have the burden of proof. Except as elsewhere provided in this section, no transfer by or in behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator shall be valid against the liquidator.

(3) ***Every person receiving any property from the insurer or any benefit thereof which is a fraudulent transfer under this section shall be personally liable therefore and shall be bound to account to the liquidator.***

***(4)*** Negotiability. Nothing in this subtitle shall impair the negotiability of currency or negotiable instruments.

Section 22. KRS 304.33-330 is amended to read as follows:

(1) Setoffs allowed in general.

***(a)*** Mutual debt or mutual credits between the insurer and another person in connection with any action or proceeding under this subtitle shall be set off and the balance only shall be allowed or paid, except as provided in subsection (2) of this section.

***(b) As used herein, "mutual" means those debts or credits owed to or from identical parties acting in the same capacity.***

(2) Exceptions. No setoff or counterclaim shall be allowed in favor of any person where:

(a) The obligation of the insurer to the person would not at the date of the filing of a petition for liquidation entitle him to share as a claimant in the assets of the insurer;

(b) The obligation of the insurer to the person was purchased by or transferred to the person with a view to its being used as a setoff;

(c) The obligation of the person is to pay an assessment levied against the members or subscribers of the insurer, or is to pay a balance upon a subscription to the capital stock of the insurer, or is in any other way in the nature of a capital contribution; or

(d) The obligation of the person is to pay premiums, whether earned or unearned, to the insurer.

SECTION 23. A NEW SECTION OF KRS 304.33-350 TO 304.33-360 IS CREATED TO READ AS FOLLOWS:

***(1) An agent, broker, premium finance company, or any other person, other than the insured, responsible for collection and payment of premium shall be obligated to pay any collected unpaid premium, whether earned or unearned, less any commissions on the earned portion of the premiums, due to the insurer at the time policies are terminated pursuant to KRS 304.33-210, except as expressly provided in KRS 304.33-240(6). Credits, setoffs, or both shall not be allowed to an agent, broker, or premium finance company for any amounts advanced to the insurer by the agent, broker, or premium finance company on behalf of, but in the absence of payment by, the insured.***

***(2) An insured shall be obligated to pay any unpaid earned premiums due to the insurer at the time his policy is terminated pursuant to KRS 304.33-210, subject further to any additional earned premium payable in the future which may be calculated by the liquidator representing unbilled audit premiums, experience rated premium adjustments, or any other similar deferred premium adjustments provided for under the terms of the insured's policy and which premiums have been apportioned and billed by the liquidator.***

Section 24. KRS 304.33-430 is amended to read as follows:

The order of distribution of claims from the insurer's estate shall be as stated in this section. The first fifty dollars ($50) of the amount allowed on each claim in the classes under subsections (2) to (5), inclusive, of this section, shall be deducted from the claim and included in the class under subsection (7) of this section. Claims may not be cumulated by assignment to avoid application of the fifty dollars ($50) deductible provision. Subject to the fifty dollars ($50) deductible provision, every claim in each class shall be paid in full or adequate funds retained for the payment before the members of the next class receive any payment. No subclasses shall be established within any class.

(1) Administration costs. The costs and expenses of administration, including but not limited to the following: the actual and necessary costs of preserving or recovering the assets of the insurer; compensation for all services rendered in the liquidation; any necessary filing fees; the fees and mileage payable to witnesses; and reasonable attorney's fees.

(2) Wages. (a) Debts due to employees for services performed, not to exceed one thousand dollars ($1,000) to each employee which have been earned within one (1) year before the filing of the petition for liquidation. Officers shall not be entitled to the benefit of this priority.

(b) Such priority shall be in lieu of any other similar priority authorized by law as to wages or compensation of employees.

(3) Loss and unearned premium claims. Claims by policyholders, beneficiaries, and insureds arising from and within the coverage of and not in excess of the applicable limits of insurance policies and insurance contracts issued by the company, and liability claims against insureds which claims are within the coverage of and not in excess of the applicable limits of insurance policies and insurance contracts issued by the company, and claims of ***guaranty associations or foreign guaranty associations*** [~~the Kentucky Insurance Guaranty Association and any similar organization in another state~~].

(4) Residual classification. All other claims including claims of the federal or any state or local government, not falling within other classes under this section. Claims, including those of any governmental body, for a penalty or forfeiture, shall be allowed in this class only to the extent of the pecuniary loss sustained from the act, transaction or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs occasioned thereby. The remainder of such claims shall be postponed to the class of claims under subsection (7) of this section.

(5) Judgments. Claims based solely on judgments. If a claimant files a claim and bases it both on the judgment and on the underlying facts, the claim shall be considered by the liquidator who shall give the judgment such weight as he deems appropriate. The claim as allowed shall receive the priority it would receive in the absence of the judgment. If the judgment is larger than the allowance on the underlying claim, the remaining portion of the judgment shall be treated as if it were a claim based solely on a judgment.

(6) Interest on claims already paid. Interest at the legal rate compounded annually on all claims in the classes under subsections (1) to (5) of this section, inclusive, from the date of the petition for liquidation or the date on which the claim becomes due, whichever is later, until the date on which the dividend is declared. The liquidator, with the approval of the court may make reasonable classifications of claims for purposes of computing interest, may make approximate computations and may ignore certain classifications and time periods as de minimis.

(7) Miscellaneous subordinated claims. The remaining claims or portions of claims not already paid, with interest as in subsection (6) of this section:

(a) The first fifty dollars ($50) of each claim in the classes under subsections (2) to (5), inclusive, of this section, subordinated under this section;

(b) Claims under subsection (2) of KRS 304.33-380;

(c) Claims subordinated by KRS 304.33-600;

(d) Claims filed late;

(e) Portions of claims subordinated under subsection (4) of this section; and

(f) Claims or portions of claims, payment of which is provided by other benefits or advantages recovered or recoverable by the claimant.

(8) Preferred ownership claims. Surplus or contribution notes, or similar obligations, and premium refunds on assessable policies. Interest at the legal rate shall be added to each claim, as in subsections (6) and (7) of this section.

(9) Proprietary claims. The claims of shareholders or other owners.

Section 25. KRS 304.33-440 is amended to read as follows:

(1) Immediate Access. Within one hundred twenty (120) days of a final determination of insolvency of a company by a court of competent jurisdiction of this state, the liquidator shall make application to the court for approval of a proposal to disburse assets out of such company's marshalled assets, from time to time as such assets become available, to ***guaranty associations or foreign guaranty associations having obligations because of the insolvency*** [~~the Kentucky Insurance Guaranty Association and to any similar organizations in another state~~]. [~~(The Kentucky Insurance Guaranty Association and any similar organizations in other states shall hereinafter be referred to collectively as the Associations.)~~] Such proposal shall at least include provision for:

(a) Reserving amounts for the payment of the expenses of administration and claims falling within the priorities established in KRS 304.33-430(1) and (2);

(b) Disbursement of the assets marshalled to date and subsequent disbursements of assets as they become available;

(c) Equitable allocation of disbursements to each of the associations entitled thereto; and

(d) The securing by the liquidator from each of the associations entitled to disbursements pursuant to paragraph (e) of an agreement to return to the liquidator such assets previously disbursed as may be required to pay claims of secured creditors and claims falling within the priorities established in KRS 304.33-430(1), (2) and (3) in accordance with such priorities. No bond shall be required of any such association.

(e) The liquidator's proposal shall also provide for disbursements to the associations in amounts at least equal to the payments made or to be made thereby for which associations could assert claims against the liquidator, and shall further provide that if the assets available for disbursement from time to time do not equal or exceed the amount of such payments made or to be made by the Association then disbursements shall be in the amount of available assets.

(f) Notice of such application shall be given to the associations in and to the commissioners of insurance of each of the states in which the company did business. Any such notice shall be deemed to have been given when deposited in the United States certified mails, first class postage prepaid, at least thirty (30) days prior to submission of such application to the court. Action on the application may be taken by the court provided the above required notice has been given and provided further that the liquidator's proposal complies with this subsection.

(2) Recommended claims. The liquidator shall review all claims duly filed in the liquidation and shall make such further investigation as he deems necessary. He may compound, compromise or in any other manner negotiate the amount for which claims will be recommended to the court. Unresolved disputes shall be determined under KRS 304.33-400. As often as practicable, he shall present to the court reports of claims against the insurer with his recommendations. The reports shall include the name and address of each claimant, the particulars of the claim and the amount of the claim finally recommended if any. As soon as reasonably possible after the last day for filing claims, he shall present a list of all claims not already reported. If the insurer has issued annuities or life insurance policies, the liquidator shall report the persons to whom, according to the records of the insurer, amounts are owed as cash surrender values or other investment values and the amounts owed. If the insurer has issued policies on the advance premium plan, the liquidator shall report the persons to whom, according to the records of the insurer, unearned premiums are owed and the amounts owed.

(3) Allowance of claims. The court may approve, disapprove or modify any report on claims by the liquidator, except that the liquidator's agreements with other parties shall be final and binding on the court on claims settled for $500 or less. No claim under a policy of insurance shall be allowed for an amount in excess of the applicable policy limits.

SECTION 26. A NEW SECTION OF KRS 304.33-460 TO 304.33-470 IS CREATED TO READ AS FOLLOWS:

***An insurer that is subject to any delinquency proceedings, whether formal or informal or administrative or judicial, shall not:***

***(1) Be released from such proceeding, unless such proceeding is converted into a judicial rehabilitation or liquidation proceeding;***

***(2) Be permitted to solicit or accept new business or request or accept the restoration of any suspended or revoked license or certificate of authority;***

***(3) Be returned to the control of its shareholders or private management; or***

***(4) Have any of its assets returned to the control of its shareholders or private management;***

***until all payments of or on account of the insurer's contractual obligations by all guaranty associations, along with all expenses thereof and interest on all such payments and expenses, shall have been repaid to the guaranty associations or a plan of repayment by the insurer shall have been approved by the guaranty association.***
